

OPEN DAY – Thursday 25th July 2019

The River Nile School is a specialist senior-secondary school, addressing the unique educational needs of young refugee and asylum seeker women.

As an EAL (English as an Additional Language) school, that specialises in supporting students who have had disrupted schooling, are new arrivals to Australia or who find mainstream education settings challenging to learn in, **we take enrolments at any time across the school year.**

A great way to learn more about the River Nile School and the delivery of the Victorian Certificate of Applied Learning (VCAL) is to come along to one of our Open Days and see the School in operation.

Who should attend?

- Prospective students who would like to meet with us and see what we can offer them
- Schools and Agencies, who may refer students, to gain an insight into what we offer, as well as to reconnect with students or clients they have referred to us.
- Family members, guardians, friends, advocates and supporters are very welcome.
