

YEAR 12

TRADE READY PROGRAM

BRENDALE

MRAEL in conjunction with ATTC is a proud recipient of Construction Skills Queensland (CSQ) funding for the Trade Ready Program.

This fully funded program will provide Year 12 students the opportunity to undertake skills training and development in a safe simulated work environment before undertaking a structured workplace learning activity with one of our supporting construction partners.

The Trade Ready Program provides participants with the foundations to enter the building and construction industry with technical training and employability skills.

Program Outline

- Skillset Training
- Host Employer Presentations
- Employability Skills Training
- Lifeskills
- Up to 120 hours of structured workplace learning which will provide direct exposure to a variety of construction trades and professions.
