Maroondah Youth Services

Youth Services are proud to announce the launch of our newly redesigned website. Welcome! Our old website served us well, but technology continues to develop and with this redesign we have made it easier for you to find the opportunities and support you need.

What are some things to check out?

Find support

We provide support to young people on a wide range of things, like finding a job, getting involved in the community, issues with school or family, or if you're just having a hard time. We know reaching out for support can be tricky, so to help make that a bit easier you can now fill out our online support form whenever and wherever suits you, and take as long as you need.
