## Tax File Number (TFN)

Any student will need a tax file number if he/she starts work (part-time and full-time) and all students planning on a tertiary education require one when they start.

Importantly, current Year 12 students are reminded that they cannot enrol in a CSP (Commonwealth Support Place) course at university without a Tax File Number, so it is worthwhile getting an application submitted early.

## The Hansen Scholarship 2024

The **Hansen Scholarship Program** aspires to nurture and significantly expand the horizons of Australian students who may otherwise struggle to access a high-quality university education.

Each year the University of Melbourne recognises talented students from around Australia who have demonstrated resilience to adversity, and a commitment to supporting others. Through fully funded accommodation at Little Hall, tailored mentoring and extracurricular activities, and focused financial support, Hansen Scholars are equipped with the skills and knowledge to make an impact at Melbourne and beyond. The scholarship is worth up to \$108,000. Eligible applicants must be Australian or PR citizens, be on track to achieve a

minimum ATAR of 90.00, and experience financial challenges, e.g. applicant or their family receive Centrelink benefits.

**Selection is based on:**

- Track record of academic excellence and a commitment to academic success in university studies
- Demonstrated ability to achieve success in the face of adversity and overcome obstacles
- Demonstrated ability to apply skills and strengths towards activities which benefit others
- Demonstrated ability to work effectively in a team and lead those around you
- Likelihood of thriving as a Hansen Scholar and actively contributing to the Hansen Scholarship Program

**Benefits of the scholarship include –**

- guaranteed accommodation at Little Hall, at no charge, for the standard full-time, three-year undergraduate degree;
- an allowance of up to \$4000 per year for general living expenses for the standard full-time duration of the undergraduate degree;
- access to a mentoring program, pastoral care, and development programs available to all students at Little Hall as well as a tailored program of mentoring and support exclusively for Hansen Scholars;
- a comprehensive and bespoke mentoring program will connect recipients to leaders in their chosen field, while program patron Jane Hansen AO will offer sponsorship and support

Applications open on 5 February 2024, and close on 3 April 2024.

Starting from 2024, *Geospatial Science* will now be available as part of the **Bachelor of Science** program as a **major**. This change presents a valuable opportunity for students to expand their knowledge and skills in this captivating field without the need to pursue a separate degree. Students who elect to do this major will delve into the fascinating realm of maps and spatial analysis, dive into satellite imagery and laser sensors, GPS technology, geographic information systems (GIS), digital twins, virtual reality, robots, and artificial intelligence. Students will use the skills they acquire in mapping and spatial data analysis to contribute towards UN sustainable development goals.

## **Quality Indicators for Learning and Teaching (QILT)**

The [QILT website](#) assists students in making informed choices about their higher education options by bringing together survey data from all Australian universities, allowing students to compare student experience and job outcomes. Data is collected from over 400,000 students, graduates, and employers via QILT surveys every year. Covering all study levels and both domestic and international students, QILT is regarded as the only comprehensive system of higher education surveys in Australia. All 42 Australian universities and around 90 non-university higher education providers take part in the QILT surveys.

Visit [ComparED](#) to explore and compare institutions and study areas based on real life student experiences and employment outcomes provided through the QILT surveys.
