

ThinkUKnow Parent Session

Wednesday 30th May

6:30pm

BER building.

Dear Parents,

As part of our whole school strategy on promoting positive online behaviours and safe and respectful use of technologies we would like to you to an important information session entitled **ThinkUKnow**. This session will focus on social media use amongst students, and how we can best support our students in this changing world of technology. The session will be presented by David Stephens, a Federal Agent from the Crime Operations Team in the Australian Federal Police.

While you might not currently have a student who is using social media or has a phone, we encourage you to attend this event in preparation for the future. Many online apps and games, such as Fortnite and Roblox, have a communication feature and we encourage parents of students of all ages to attend.

Please RSVP to this event by returning the form below to your child's teacher by Monday 28th May.

Yours Sincerely,

Karen Donnelly
Digital Learning Leader

Please remove and return to your child's teacher
