

Game-Changer: US College Sports Scholarships

Creating opportunities. Changing lives.

A black and white photograph of a graduate from behind, wearing a graduation cap and gown. They are looking at a large, brightly lit screen or stage in the background, which is out of focus. The scene is at night, with bokeh light effects from the background lights.

A little about us

Who we are

The **Centre for Applied Research in Youth Sport (CARYS)** is a not-for-profit organisation dedicated to the provision of research-driven development programs that empower young people to realise their potential in sport, education and life.

Through our partnership with the **Australian Sports Foundation**, our *Game-Changer* initiative creates life-changing opportunities for talented athletes to secure scholarships to compete in US college sports while advancing their education.

A photograph of a softball player in a red jersey with the number 7 on the back, wearing a red helmet with a white Mustang logo and the number 43. A coach in a black shirt is hugging her from behind, holding a black bat with red lettering. The background is a blurred crowd of spectators.

Value of a US
college sports
scholarship

Some of the **benefits** that a US college sports scholarship provides

Secure a scholarship package to help fund your education and significantly reduce student-debt

Gain a globally recognised bachelors degree in any subject offered by the university

Learn, train and compete in elite environments

Play college sport in State, Regional and National level competitions

Have a wide-range of life experiences that will positively shape the student-athletes character

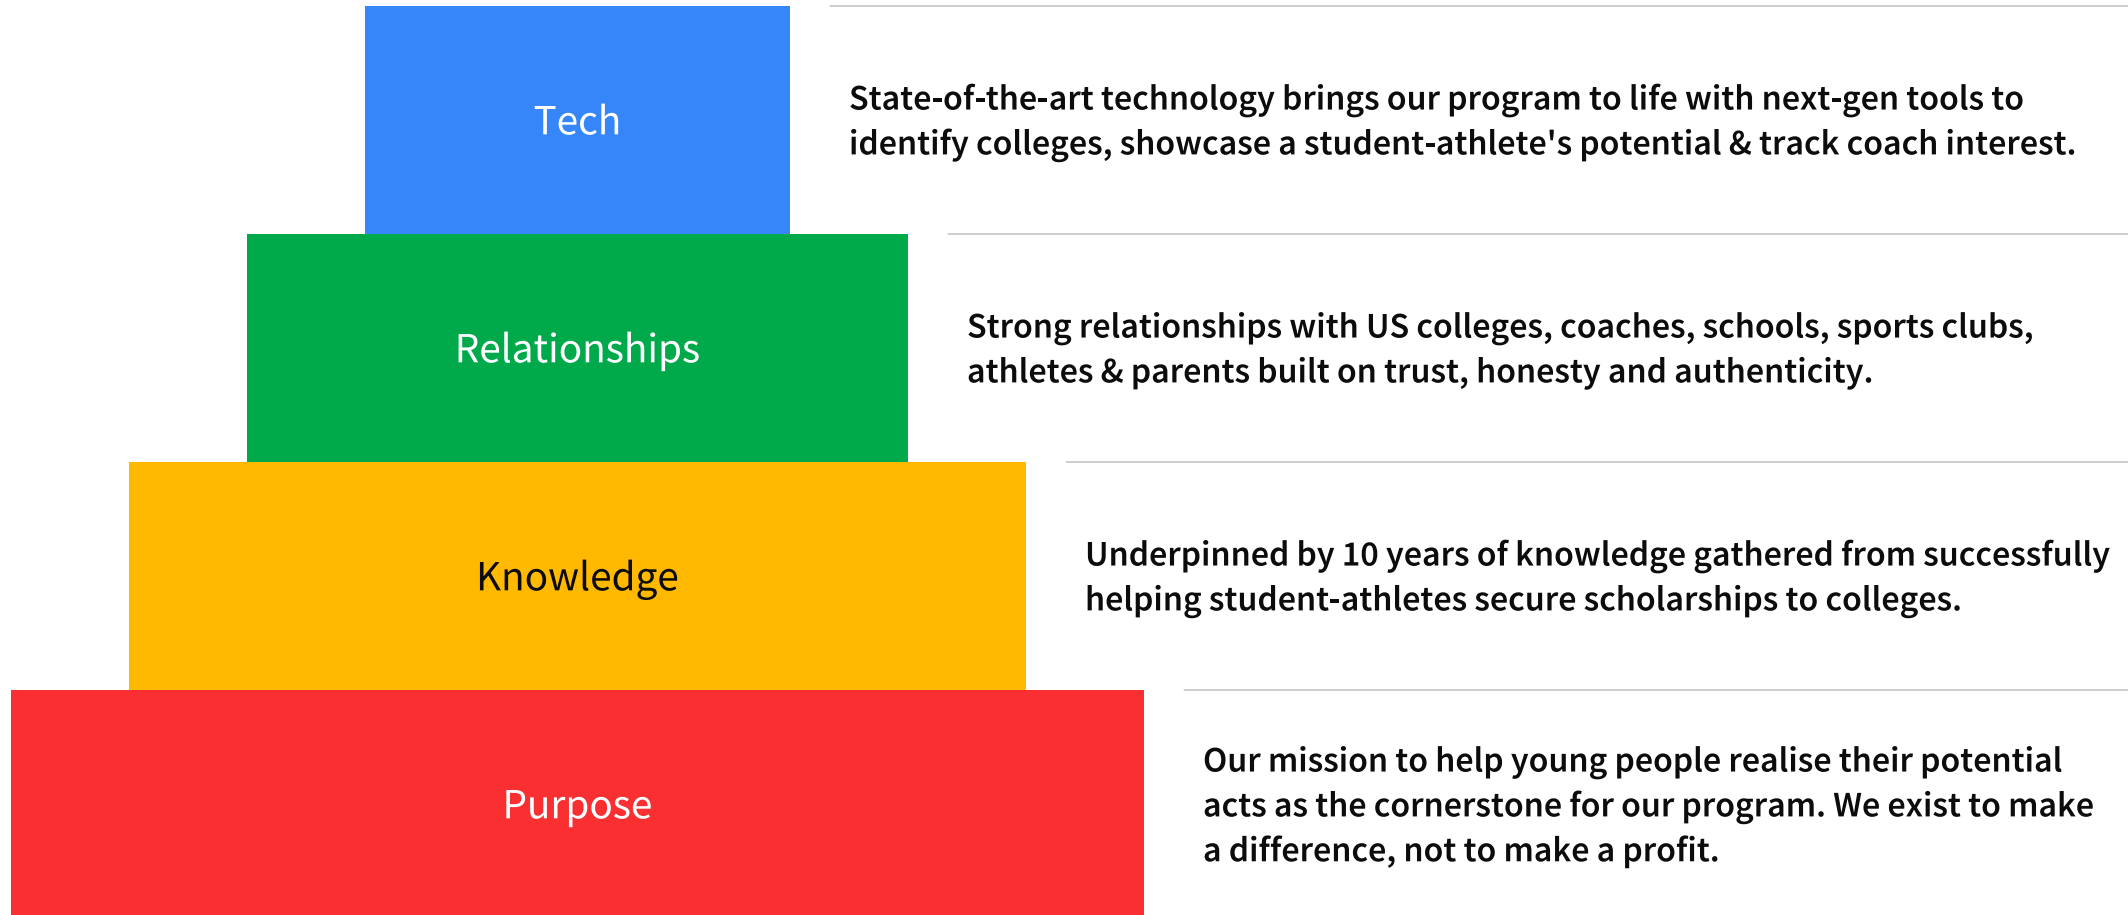

Develop an international network of life-long friends and contacts

Key features of
our program

The **building-blocks** of our Game-Changer program

Key features of our **Game-Changer** initiative

Socially-driven talent development program helping young people translate their potential into success

Provides tools to empower athletes to manage their own recruitment

Flexible, affordable and inclusive recruitment options that can be tailored to each individual's needs

Innovative online scouting portal that allows US coaches to search, contact and recruit athletes directly

Nationwide exposure to a US coaching network that covers every Head coach for every sport at over 2000 colleges

Provides significant savings on the standard costs of recruitment through **Australian Sports Foundation** funding

Cutting-edge interactive profiles developed in consultation with US college Head coaches

Provides opportunities to secure combined sport and academic scholarships for increased financial aid

Showcasing the
student-athlete's
potential

Prospect Profile[®] - Changing the way international athletes get recruited to play US college sports

All the info US coaches need to make an informed decision in one place

Developed in consultation with US college coaches

Fully mobile optimised portal with seamless cross platform capabilities

Features of our **Prospect Profile**[®] that help athletes stand out from the crowd and get noticed by US college coaches

Professionally edited & produced video that showcases the athlete's ability & tracks coach viewing analytics

Showcases the individual's academic achievements and personal accomplishments

Benchmark agility and fitness test scores so coaches can evaluate their athleticism

A professionally produced 60 Second Pitch video allowing athletes to personally introduce themselves to coaches

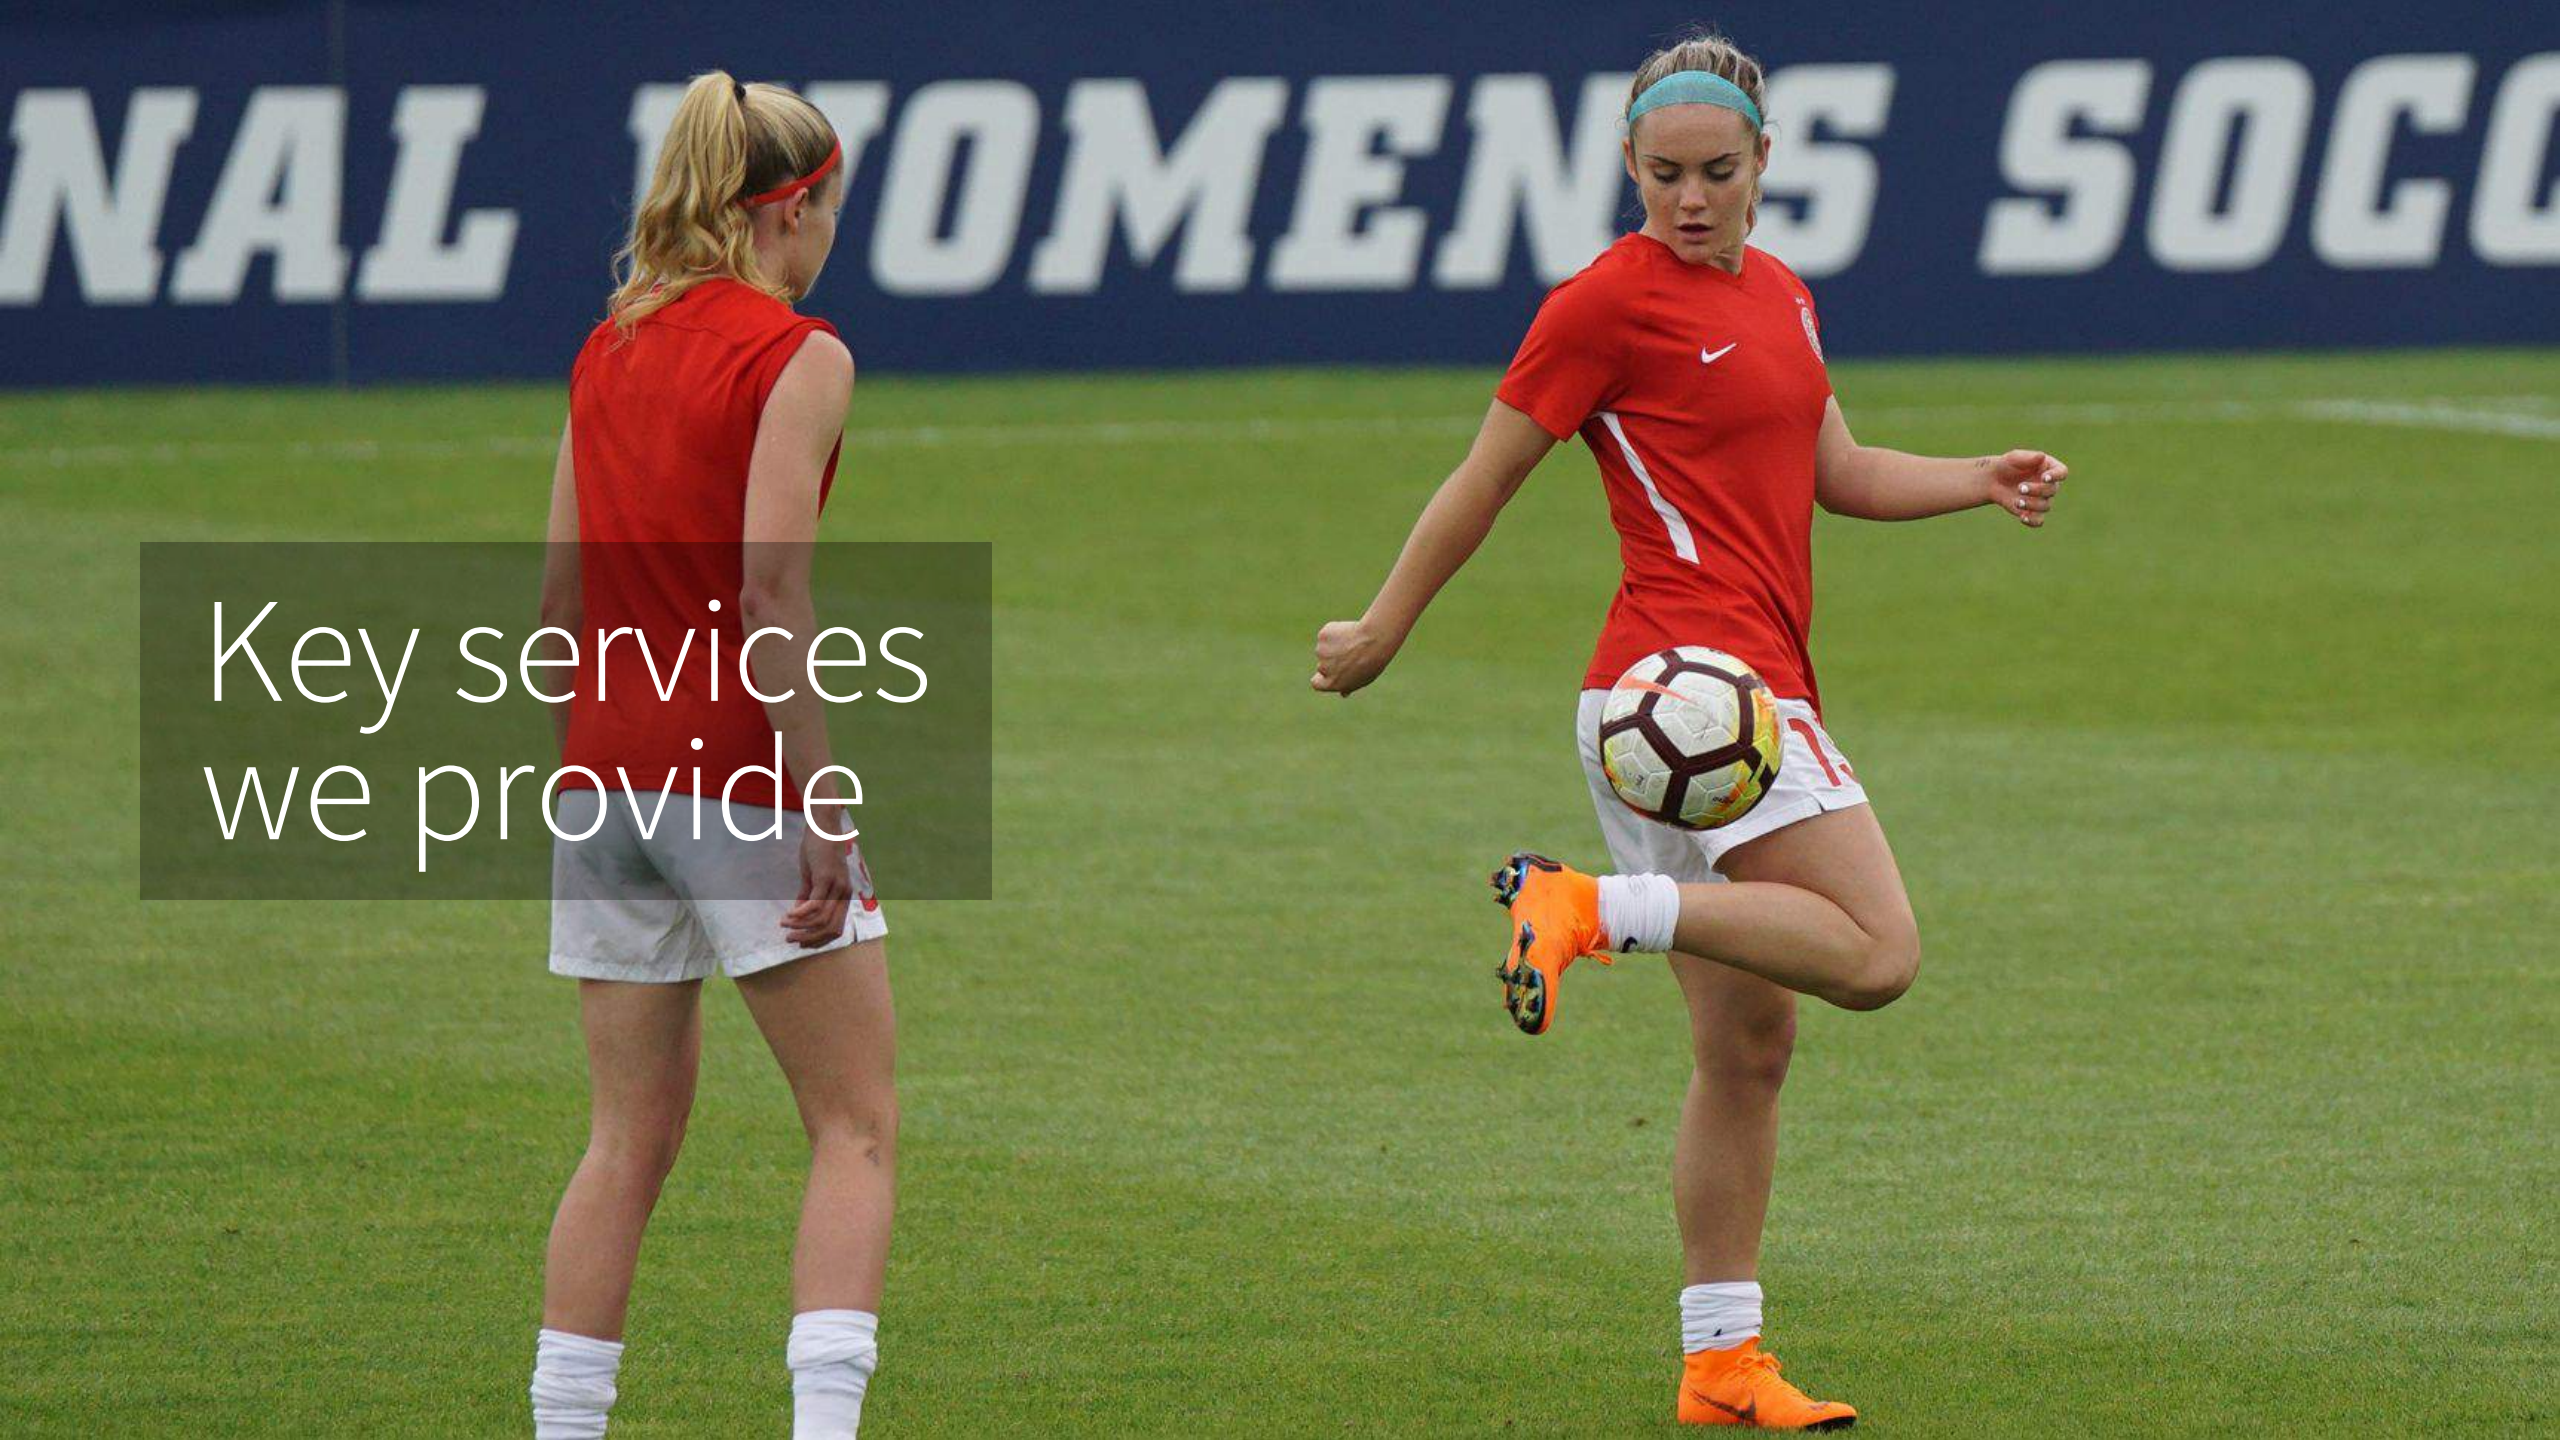

Contains all the athlete's latest performance stats so coaches can track their progress

Showcases the individual's athletic, academic and character strengths

Independent coach assessment that rates the athlete's top ten technical, physical and mental attributes

Key services
we provide

How we **help** student-athletes secure scholarships

Pursuing a college sports scholarship can be complicated. To this end, our program has been carefully designed to help guide athletes and their families step-by-step through the recruitment and admissions process allowing the student-athlete to keep their focus on their academic and athletic development. Here's just some of the services our team provide to help student-athletes as part of our program.

- 1 GPA conversion from ATAR
- 2 SAT guidance & preparation
- 3 Assistance with NCAA/NAIA eligibility registration
- 4 College search & identification based on academic & athletic ability
- 5 Ongoing maintenance of the athlete's Prospect Profile
- 6 Daily communication & liaison with college coaches
- 7 Assistance with US Student Visa & Embassy appointment
- 8 Helping families connect with coaches & review all college offers
- 9 Promotion of the athlete's Prospect Profile to matched colleges
- 10 Exploring opportunities to secure combined athletic & academic scholarship funding
- 11 Ongoing assistance with cultural integration once in America
- 12 Assistance with college admissions process
- 13 Notifying athletes & families of college coach interest
