➤ **SHORTAGE OF EARLY CHILDHOOD TEACHERS**

As government seeks to increase access to quality early childhood education and care (ECEC) programs prior to school, early childhood teachers are in high demand. The most recent Queensland ECEC Census identified a shortfall in the number of specialist early childhood teachers needed to lead approved kindergarten programs in long day care and kindergarten services. The census showed a **shortfall of 27 per cent in metropolitan areas** and a **shortfall of 44 per cent in regional areas**. With the planned introduction of new national requirements for a second early childhood teacher in most long day care services, **demand is set to double**.
