

Grade 2 In-visit

Grade 2 students will be attending the Mini Boss In-visit: 'Solve It!' during school hours on Tuesday, 10th October, 2023 in the 2C/2D classrooms. Mini Boss is a company that produces in-visits that are highly engaging for students and develop cross curricular understandings. We have chosen to do 'Solve It!', which includes Mathematics, Responding, Investigating & Designing, Critical Thinking, Problem Solving, Analysing & Evaluating, Personal and Social Skills based learning, all done in a cooperative and fun way.

Students will be placed into groups to become Detectives of a Crime Scene created by the Mini Boss team. They will work together with Investigation Kits to help solve the crime. Students will explore analysing clues about dinner guests, use finger printing techniques, exploring hidden messages using blue light torches, and will be required to solve a series of puzzles and codes to reveal the culprit.

Cost: \$ 17 per student (If you wish to use Credit/CSEF please contact the office on 9707 7799)

Date: *Tuesday, 10th October, 2023*
