THE IMPORTANCE OF **VOLUNTARY CONTRIBUTIONS**

Thank you to our many families for supporting our much needed “extra” school programs for our kids.

Did You Know?

Government schools, including ours, rely on more than just government funding to thrive. Almost 50% of our cash funding for our school actually comes from non-government sources!

Thanks to your generosity, Port Melbourne Primary School offers exceptional programs, state-of-the-art facilities, and unique opportunities that foster our students' growth and success.

Your contributions enable high-quality educational programs, enriching experiences, and accelerated learning for every child.

We are deeply grateful for your continued support.
