

Buses replace trains on the Belgrave, Lilydale and Alamein lines

Tuesday 30 January
to late March

Level crossing removal works continue in Ringwood and Croydon

We're removing dangerous and congested level crossings at Bedford Road in Ringwood and, Coolstore Road in Croydon.

We're working around the clock to build a new rail trench at Bedford Road and Dublin Road. We're also building a new Ringwood East Station.

At Coolstore Road a brand new Croydon Transport Hub is being built featuring a new station, upgraded bus interchange and improved local roads.

While we work, buses will continue to replace trains on sections of the Belgrave and Lilydale lines until **late March**.

Plan ahead

We're here to help you travel during major construction and to get you to and from your destination as quickly and easily as possible. We'll continue to keep you updated on works and advise you of the best way to travel.
