

SPECIAL INTEREST GROUP HOLIDAY PROGRAMS

Now We're Talking's Special Interest Group Holiday Programs are for children who may require additional support with their social communication skills and allows them to participate in a whole group project of their interest. The program helps student navigate social problem solving and following the group plan.

SPECIAL INTEREST GROUP HOLIDAY PROGRAMS

The group project is selected by the participants and, focuses on the particular special interest e.g. Lego, Minecraft, Disney, Crafts etc and allows for natural social skills to develop and shine, for friendships to be made with a shared interest and an end goal. The project will be attainable in the 9 hours as a team, and a display will be held at the conclusion of the program for parents to commend the groups hard work! See an EXAMPLE timetable below.

	DAY 1	DAY 2	DAY 3
9.00-9.30am	Intro and get to know the group Targets: - Make goals - Learn about each other - Group rules	Themed craft/ or challenge. e.g. Lego building challenge e.g. Minecraft trivia e.g. Disney Craft	Themed craft/ or challenge. e.g. Lego building challenge e.g. Minecraft trivia e.g. Disney Craft
