

Community Forum Low Income Discussions

City of Onkaparinga is proudly hosting a community forum to explore the needs of low income residents in our region. Outcomes of the forum will inform aspects of our Community Capacity Strategic Plan and may identify collaboration opportunities.

We are inviting community members and service providers to join us in a conversation to share knowledge about what's happening in the sector, needs and opportunities and potential for working together.

**Thursday 12 March
7 - 9pm (lights refreshments from 6.30pm)
Civic Area, City of Onkaparinga Noarlunga
