Where Kids love to be!

Cranbourne South PS

Week 3 – Animal Week

We started the week with our continual partnership with the school community with our garden Club where each morning before we start our day at school, with some much-needed watering in these warmer months and some composting. We introduced some inside games of Duck Duck Goose, sleeping Lions and Headbanz. We got creative and colourful with some teddy bear puppets and paper plate snakes. We completed our birthday cupcakes and some new scratch art animals. We welcomed our new staff member Keisha who will be with us on a regular basis, we are starting to enjoy the outdoors a bit more after Keisha arrived by visiting the outdoor play area more often and we finished the week with planning our program and menu for next week.
