

PARENT PAYMENT POLICY 2025

Dear TCPS parents/guardians,

Torquay Coast Primary School is looking forward to another great year of teaching and learning and would like to advise you of *Torquay Coast Primary School's* voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support. This has made a huge difference to our school and the programs we can offer.

For further information on the Department's Parent Payments Policy please see an overview attached.

Commencing in 2022 and continuing in 2025 Torquay Coast Primary School will provide all Curriculum Contributions for students. There will be no request payment towards these items.

Please refer to the attached tables for further information. This was a complex decision and there are a number of contributing factors which has enabled our school to be able to offer this for our families.

Parents can pay on a 'USER PAYS' Basis for any Extra Curricular Excursions/Camps. These are an option for families to pay for if they wish their student to attend. These Extra-Curricular Items/Activities will be communicated to families next year through COMPASS outlining the costs per event. You will be able to consent online and pay via COMPASS PAY.

Yours sincerely,

Darren Roskosch
Principal
