

MATHS DROP IN CENTRE

WHAT IS IT? A place to get some extra maths help with difficult concepts, topics or homework. You can also come along for some extension work, so you can revise or get ahead. This is an ideal place where students can come and feel comfortable to ask questions. Students are encouraged to bring along specific queries, tasks, assessments, homework, general revision and problems to work on, with teachers on hand ready to help: Please note: Regular attendance attracts merits

WHEN? Monday lunch time 12.50 -1.30pm (bring your lunch) and Thursday morning 8.00 - 8.30am each week.

WHO FOR? Open to all students in Years 7 – 9

WHERE? Maths Classroom C1
