

# SAC/Examination Notification

Unit \_\_, AOS \_\_: Title \_\_

# [Subject]

**Outcome 1:** include description from the subject's VCAA Study Design....

## SAC Details:

**Date:** [Some subjects will have tasks that require multiple dates. All dates should be listed.]

**Duration:**

**Mark Allocation:** (This will contribute to \_\_% of your marks for this Outcome/Unit)

**No. of Questions:**

**Word Count:** [if applicable]

## Conditions/Instructions:

- Will students receive the topics prior to the SAC/Examination?
- What are they permitted to bring into the SAC/Examination room?
- What are they NOT permitted to bring into the SAC/Examination room?

*\*Where possible, model this information on the instructions given to students in the end of year exam.*

## Key Knowledge

[This information can be directly pasted from your subject's VCAA Study Design. You may wish to refer your students to particular Chapters/Questions in your subject's textbook here as well as any Edrolo clips which will be useful as revision].

## Key Skills

[This information can be directly pasted from your subject's VCAA Study Design. You may wish to refer your students to particular Chapters/Questions in your subject's textbook here as well as any Edrolo clips which will be useful in supporting students with their skill development].

## Key Vocabulary

[List the key words that students must know in order to complete the SAC/Examination. For example, 'multicellular organisms' in Biology. Don't provide students with any definitions as this should be one of their first revision tasks.]

## Assessment Criteria

- How will students be assessed on their performance?
- Attach the assessment rubric. All students should read any assessment criteria/rubrics prior to the assessment.

**\*\*The use of Generative Artificial Intelligence (AI) is not permitted to generate ideas or manufacture responses for this assessment. Refer to the Plagiarism and Authentication Policy for further information.**

# SAC/Examination Notification

*\*NB: A medical certificate will be required if you do not attend the scheduled SAC/Examination date.*

## **SAC/SAT/Examination Disclaimer**

Students must not intentionally or unintentionally disclose any details on this SAC/SAT/Examination or imply what is or is not included, or in any way gain an unfair advantage over other students. Students must understand that disciplinary action will occur and their result will be downgraded. In fairness to fellow pupils, it is the student's responsibility to inform the VCE office if they are aware that information about the SAC/SAT/Examination is being passed on, or that a student has gained an unfair advantage.

I understand that the use of Generative Artificial Intelligence (AI) is not permitted to generate ideas or manufacture responses for this assessment. I am aware that there are consequences for doing so as per the Plagiarism and Authentication Policy.

At the end of the document, teaching staff may wish to attach:

- Revision tips, activities or questions.
- Textbook references or Edrolo clips
- References to specific resources on Compass.
- Practice SAC[s]
