

2022 schedule

eSafety's free webinars provide parents and carers with the knowledge, skills and tools to support children to have safe, positive online experiences.

Our live webinars for parents and carers attracted record attendance numbers in 2021. To meet the growing demand, our education and training team is expanding the program in 2022 to include more dates and topics to support school communities.

Each month, we will present either a new webinar topic or a video with simple tips to keep young people safe online.
