

Who are these faces?

Here's a bit of a challenge for you. Can you identify these people from the Nossal community?

- For **Year 9's** (*who haven't been at the school as long*), name at least **9** of the faces.
- For **Year 10's**, name at least **10** of the faces.
- For **Year 11's**, name at least **11** of the faces.
- For **Year 12's**, name all **12** faces.

If you can do this, send me your answer, clearly indicating who they are, via a Teams Chat and the first correct answer from each Year Level will win a prize! Go to it!!
