CHRISTIAN COLLEGE

I/We understand and agree that Mildura Christian College will teach my/our child in line with the Christian basis and emphasis as described in the College's "Vision and Mission" statements published in the College Prospectus.

DISCIPLINE

I/We understand and acknowledge that discipline must be a combined effort between home and the College. Together we seek to train the heart and foster moral development. I/We fully trust and support the College in this area and agree to notify the College if at any time I/we can no longer support the College in its discipline and policies.

MEDICAL AUTHORITY

I/We are fully confident that the utmost care and vigilance will be taken by supervisory staff to ensure my child's safety and welfare. In the event of some untoward or accidental happening resulting in injury or loss or damage of personal belongings, I/we accept full responsibility and will in no way seek liability upon Mildura Christian College or its staff. In case of injury or illness sustained by my/our child, I/we authorize the College to determine and obtain appropriate medical attention for my/our child and if necessary reimburse the College for costs incurred.

EXCURSIONS/CAMPS

I/We give permission for my/our child to attend all official excursions. I/We understand that special permission will be sought for overnight camps. I/we understand that the cost of excursions will often, but not always, be covered by tuition fees and an additional fee may be levied. Camps and Student Conventions are an additional expense.

PERMISSIONS

I/We give permission for the College to access and use photographs and or footage of my/our child as well as his/her artwork for official College purposes and publication in media outlets.

FINANCE

I/We are fully aware of the College's fee structure & have determined to pay all fees on time and in full. I/we understand and acknowledge the importance of meeting our obligations in this area. I/we hereby agree that should my /our account fall overdue then reasonable additional fees may be due & payable and should the account be placed with a debt collection agency, to pay all debt collection costs.

LEAVING THE COLLEGE

I/We understand that one term's notice of my/our child leaving the college must be given. I/we understand that failure to provide written notice of removal will result in one term's fees being charged for each child removed. This is standard practice in most independent schools.

PROBATIONARY PERIOD

I/We understand that my/our child, if accepted into the College, will initially be enrolled for a ten week probationary period. During this period, staff will seek to encourage, motivate and welcome my/our child and take careful note of his/her ability to adapt to a new educational environment. I/We understand that I/we are expected to support the College policies regarding enrolment, discipline, and educational practice. I/We understand that my/our child is expected to respond positively to the College expectations and support the Christian ethos and culture of the College. If these expectations are not met, I/we understand that my/our child may be refused full enrolment.
