HOW TO HELP OUR CHILDREN STAY SAFE ONLINE

An Educational Workshop and Discussion

www.ctrlshift.global

We are here to help you prepare your kids for their future.

Here is just some of what we will cover:

- Terms & Conditions Explained - Deep dive into the small print so you know what you're signing up for
- Safeguarding Personal Data - Understand the importance of keeping personal information drive in this age of GenAI & other emerging technologies
- Nurturing Respectful Online Relationships - In the age of sexual extortion, sexting & image-based abuse how do we tackle this
- Scams, Hoaxes, Deepfakes & Misinformation - Understanding how to differentiate between fact & fiction in the era of 'Fake News'
- Better Group Chat Management - Strategies to keep group chats enjoyable & drama-free
- Say No to Cyberbullying & Yes to Building Online Resilience
- How to Share Photos Online with Respect for our Children's Privacy
- Safe & Respectful Online Gaming
- Creating a Positive Online Presence

No fear, no guilt - just learning how to raise empowered digital citizens!
