Things to remember

Gumboots
Raincoats
Spare clothes

Readers

As part of our literacy program, children will bring books home to read. It is important that the children read with an adult each night. The books should be changed once or twice a week after they have been read 3 times.

Markets

THURSDAYS FROM 3pm

Please remember to check when your class has a market. It is a great way to raise money for the classroom, meet other parents and work as part of our school community
