

SAFE AROUND SCHOOLS

School Drop Off Pick Up Zones

School drop off and pick up times are the busiest times of the school day. There are lots of children, parents and cars all trying to get to the same place at the same time – with limited car parking.

A **School Drop off Pick up Zone** is a special place to **quickly** drop off or pick up your child from school.

When all families use these zones correctly, the traffic flows better and it is **safer** for our children. Watch our new animation to find out more [School Drop Off Pick Up Zone Animation Link](#)

Taking a couple of minutes to watch and listen to this important information will make a big difference to the safety around our school.

Getting children to school safely is everyone's job!
