Match Reports from the Courts

6A

The boys played a tough game last Thursday unfortunately coming away with the loss in the end. The boys should be proud how they kept pushing until final whistle and not giving up. MVP Spencer Leech showed great leadership and effort even though the result didn't go the way we wanted it to go. Boys should hold their head high and get keen for this week's game against Padua and end the season on a high.

6B

The Marist 6B boys went down in a hard-fought battle against Villanova, showing grit and determination right until the final buzzer. Despite the loss, the team left everything on the court, with strong defensive efforts and moments of sharp ball movement keeping the game alive.

This result brings the season record to 4–2, a strong reflection of the team's progress and resilience across the year. With one game left, the boys are hungry to bounce back and finish on a high at 5–2, capping off a season that has seen huge improvement, teamwork, and growth.

The lessons learned in this game will only fuel the drive for a big finish.

6C

Played their hearts out but couldn't get it done over the classy Villanova team.

6D

5A

Villanova College 60 def. Marist 28

MVP: Nate Hodgetts

Coming up against a skillful and well-drilled Villanova College team, the Marist 5A boys faced a tough challenge, but the scoreline does not reflect the effort and determination shown throughout the match.

Villanova's relentless full-court press made life difficult for a team still new to basketball, yet Marist stuck to their game plan, running hard and pushing their transition offence. When the passes connected, the Marist boys were difficult to stop and showed glimpses of their attacking potential. Scoring 28 points against such a high-quality opposition was a commendable achievement.

MVP Nate Hodgetts led by example, running hard and competing at both ends of the court. He was well supported by Kai McKenna and Tristan Nicoletti, who never stopped working, while Kielland O'Brien provided a strong presence in the paint against much taller opponents.

The boys can be proud of the way they continue to play their brand of basketball regardless of the scoreline. The improvement from week to week has been outstanding and is a credit to their hard work and commitment at training.

5B

5C

A tough loss for the young lads of the 5C basketball team against an extremely well drilled and talented Villanova. MVP Colin Cooper worked superhard in defence showing great scrambling skills and was able to be a real bother to the opposition. Colin also scored our first points of the game with two sweet free throws. Marist standouts today also included James Rennick & Kingston Shacklady who worked hard at both ends of the court. What we love about this team is how willing they are to look for and pass to their teammates. One game left gentleman. Let's finish with a win.

5D

Traditionally it's always going to be a tough game against Villanova. Their size and even their courts worked in their favour on Friday. Against a very physical side we were on the back foot from the start. The boys never gave up though and even though down at each quarter the positives were still there. It's worth mentioning that other coaches have commented on the improvement of the boy's teamwork in play. Another game this week at Padua and confident of another win to wrap the season up.
