About Our Children's Story Books

Bec Filliponi (Accredited Mental Health Social Worker and Author) and Julie Gebbing (Artist, Graphic Designer and Illustrator), have created story books that explore concepts of kindness, resilience, positive identity, connection, self-care, regulating big emotions, self-worth and feeling safe. Set in beautiful places all around the world, these stories centre around endearing characters that children can strongly relate to. Although these books are written for 3 - 12 year olds, they acknowledge and explore important ideas that people from all ages can

connect with.
