

Kelly Club Aitken Newsletter Term 1, 2022

The children at Kelly Club celebrated Harmony Week by participating in many activities and group discussions. Harmony Week is to recognise diversity, inclusiveness, respect and belonging for all, regardless of cultural background. We wear the colour orange to show our support for this day. Some of the children wore orange hair ties, ribbons and socks. This week's activities included creating stars with flags that are the children's backgrounds on them, a Harmony Day colouring competition, making Tzatziki dip, creating orange friendship bracelets and making a "We all belong" poster with the children's hands on it. The children really embraced this week, it was great seeing them involved and showing respect for others.

The Year 2 students were able to pick the activities for week 9. They chose to make pandas, play sport games, create clay sculptures, do some origami and have a boogie to Just Dance. The children did an awesome job!

As the term is coming to an end and we prepare for the school holiday program, we will spend our last week doing some fun Easter activities. This will include going on an Easter egg hunt, creating bunny ears, making cards plus much more!

Reminder:

If you require care during the school holidays, please get in contact with us to make bookings. Please ensure children have a hat and wear runners!
