

ZIP LINING!!! On Camp!!!

How do I describe it. Oh, I know: terrifying, scary, heart stopping, AHHHHHHHHHH!!!! All in all, it was scary I moderately hate camp now but that's okay. We legit no kidding had walk off the edge like just walk straight off. It was fun though no one died so that's a plus. I went first because you know I'm just amazing in every way shape and form. When Jacob went his head was like 2 centimetres away from BANG hitting the tires at the end.

We had to climb these tiny peg things on the side. Honestly safety nowadays... so irresponsible. It was scary as, like I was grasping on for dear life. I like camp but this was scary. Scary.
Scarrrrrrryyyyyyy. Welp I'm not doing that again ever. Only 2 people were wimps so um yeah sucks. Anyway, I had two go's one I was spiderman. Yep. Spider man.
