Ending Family Violence – Breakfast on the Fleurieu 2019

We would like to extend an invitation to attend the Ending Family Violence - Breakfast On The Fleurieu' aimed at starting a discussion about how we can, as a community, achieve zero tolerance for family violence.

We hold this fundraising event at the iconic Victory Hotel, Sellicks Beach for leaders in our communities to begin a call to action on how we can make our communities safer.

As well as a great breakfast there will be a range of speakers as well as great live music. It's an important opportunity to gain new insights and network with other organisations and groups.

This event raises funds for local programs including *PhotoVoice* as well as *Women are Strong*. Both programs provide a safe place for women who are affected or are experiencing violence to share their stories, seek support and find a pathway toward a safer future. Demand for these programs is high in our community and our ability to provide them is limited by our ability to fundraise.

During October tickets will go on sale through Eventbrite , please save the date and join us. (More details to follow during October)

Who are we?

The Aldinga Sellicks Alliance – Addressing Family Violence working group includes representatives from local agencies and services, business leaders, church groups, community members and representatives from Local Government.

The aims of the group are to create awareness around the impacts of family violence across our community and seek to invest in programs that provide a direct benefit to those affected.
