

5th April, 2019

Dear Parents,

Our annual Twilight School and Open Day will be held on Wednesday 1st May. Over recent years this day has become a highlight for our students and families. Twilight School involves shifting the school day to begin at 12.00pm and finish at 6.30pm. We will be running our usual Wednesday program and you will have the opportunity to see all our classes in action.

On Wednesday 1st May the school day will start at 12pm and finish at 6.30pm

Our student leaders and Principal Team will be leading tours of the school during each session. These tours are open to both prospective **and existing parents**. If you would like to join a tour and hear more about the great things that occur each day at Kilsyth Primary School, please indicate this on the form attached.

The timetable for the day will include:

	Vis Arts/ Indonesian	Physical Education	Science
12.00pm – 1.00pm	Middle B	Middle A	Middle C
1.00pm – 2.00pm	Middle C	Middle A	Middle B

We have made arrangements with Camp Australia that our before school care program will run on the day from 7am until 11.45am, depending on interest. Please indicate your interest on the attached form. The session from 9am – 11.45pm will be subsidised by the school and cost families \$5 per child. The session from 7am – 9am will be charged by Camp Australia at normal rates.

We recognise that families may have other commitments on this day, and understand that students may need to be collected from school early. If so, please ensure that students are signed out at the office before they are collected.

We hope to make this a great day celebrating the fantastic things that happen at Kilsyth Primary School and encourage you to invite Grandparents or other significant people in your child's life to come along and see how they spend their time at school.

Please feel free to pass this letter, or the attached flier, onto a friend who may be interested in their child attending Kilsyth PS in the future.

I look forward to seeing you there.
