The Edmund Rice Reading Challenge

"Reading is the gateway skill that makes all other learning possible, from complex word problems and the meaning of our history to scientific discovery and technological proficiency."

Barack Obama

About

The ultimate challenge of the Edmund Rice Readers' Cup is to read 13 novels in total. Participants begin this challenge by reading 10 novels: 5 from the Reading List and 5 of their own choosing to gain a Certificate of Achievement and 20 House Points.

Students have the opportunity to gain a higher Merit award and extra House points by reading further from the choices in the following awards:

Thomas Keneally [Bronze]: 10 points
C.J Dennis [Silver]: 20 points
Francis Webb [Gold]: 30 points

These awards are named after three great Australian writers & poets: graduates of Edmund Rice schools.

Each time a student finishes reading a novel they are required to fill in the log sheet and have it signed by their parents and English teacher. When the participant has met the criteria for a Certificate of Achievement or higher merit award, this recording sheet should be handed to your English teacher before receiving final authorisation from the Year 10 Pastoral Coordinator.
