At Montmorency Primary School:

Personal Mobile Phone Use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Montmorency Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones and other personal mobile devices, such as smart watches, owned by students at Montmorency Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Montmorency Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Montmorency Primary School Personal Property Policy.

Where students bring a mobile phone to school, Montmorency Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Montmorency Primary School students are required to give their phones to their classroom teacher at the beginning of each school day who will securely store them until they are to be collected at the end of the day.
