CourseSearch

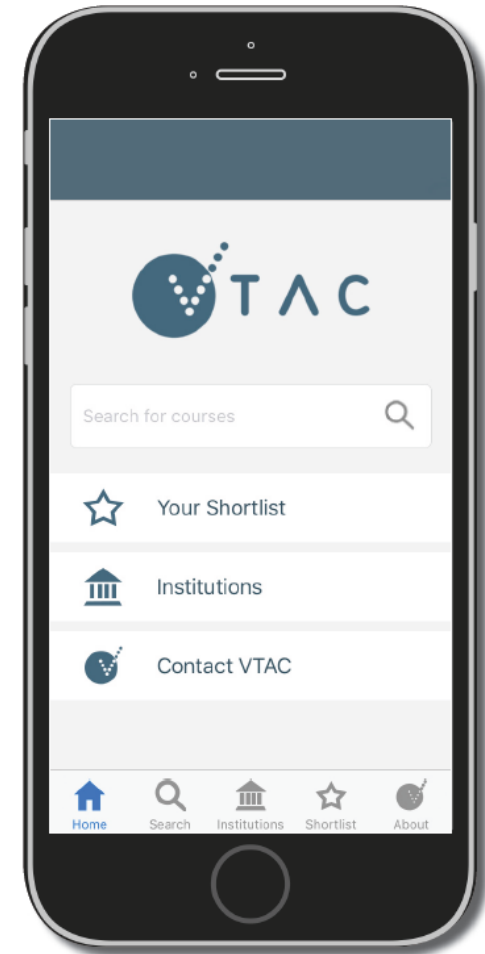

- Compare course information for all tertiary institutions in Victoria
- Advanced search options include filtering by institution, area of interest, and qualification level
- Available at vtac.edu.au

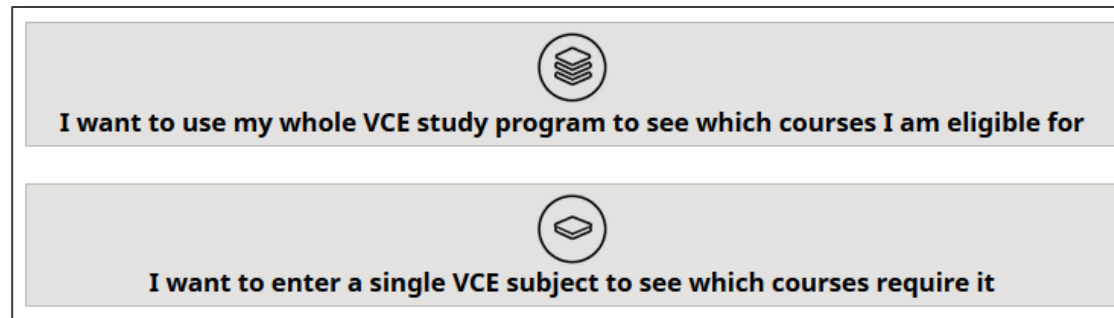

The screenshot shows the VTAC CourseSearch page. At the top right, there are links for CONTACT US, ABOUT VTAC, and HELP. The VTAC logo is on the left. A navigation bar contains links for HOME, AM I ELIGIBLE?, MAKING AN APPLICATION, ADMISSIONS TESTS, SCHOLARSHIPS, COURSES AND INSTITUTIONS, RESULTS AND OFFERS, and DATES AND FEES. The main heading is COURSESEARCH. Below it, a text block explains that CourseSearch allows keyword searches on course titles, groups, qualifications, and subjects, with advanced options for refining results by institution. A section titled SEARCH FOR COURSES contains a search box with the placeholder text 'Search for...' and a magnifying glass icon. Below the search box, there is a section for 'Search keyword by course name only' with radio buttons for 'Yes' and 'No', where 'No' is selected. A link for 'More search options' is also present. At the bottom, there are three buttons: 'LIST COURSES' (with a magnifying glass icon), 'CLEAR', and 'VIEW SHORTLIST (0)'.

The VTAC CourseSearch app

- Available free for iOS and Android
- After downloading, browse course information online or offline
- You can also use the Prerequisite and Course Explorer from inside the app – enter your VCE studies to find courses where you meet the prerequisites

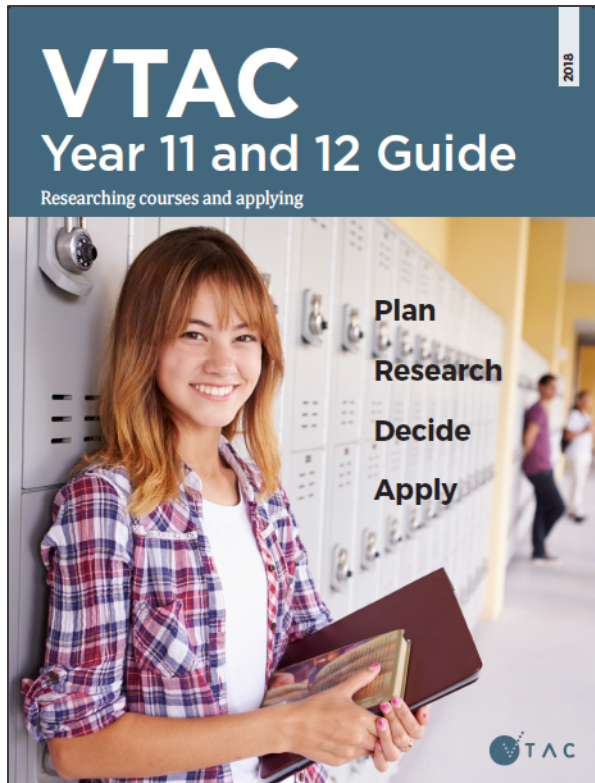

Prerequisite and Course Explorer

The screenshot shows a rectangular box with a thin black border. Inside, there are two horizontal grey bars. The top bar contains a circular icon with three stacked books and the text "I want to use my whole VCE study program to see which courses I am eligible for". The bottom bar contains a circular icon with a single book and the text "I want to enter a single VCE subject to see which courses require it".

- Enter your VCE study program to see which courses you meet the prerequisites for
- Refine your search by area of interest, institution, qualification level, and more
- Year 10 students can compare different potential VCE programs to see the impact of different subject choices

Understanding course details

Course design

- A description provided by the institution offering the course
- Which campus?
- How long does the course take to complete?
- What kind of career options are there?

Essential Requirements and Admission Criteria

- Which prerequisites do I need to get in?
- Do I need to do an interview or audition?
- Are there any advantages to studying certain VCE subjects?
- Is special consideration available?

Policy information

- Can I get credit for study I've already done?
- How do I apply?
- Where can I get further information?

What requirements might exist?

Prerequisites

Any VCE subjects you must complete to be eligible for an offer

Interview

Personal statement

Audition

Folio presentation

CASPer test

Online test needed for most teaching courses

Subject adjustments

Extra points for completing VCE subjects relevant to the course

SEAS

Special consideration

Two types of essential requirements

Essential requirements for selection and application

- Prerequisites
- Interview
- Audition
- Pre-selection kit

You need to complete these to apply and receive an offer

Essential requirements for enrolment or graduation

- Immunisations
- Police check
- Working with Children Check

You don't need to complete these until you have successfully received an offer

How does selection work?

Applicants for an example course selecting on ATAR with 4 places and 6 applicants:

	ATAR	Offered a place?
Mel	95.00 ATAR	Yes
Geri	90.00 ATAR + subject adjustment = 95.00 rank	Yes
AJ	75.00 ATAR + SEAS + subject adjustment = 86.00 rank	Yes
Victoria	85.00 ATAR	Yes
Emma	80.00 ATAR	No
Howie	70.00 ATAR	No

Lowest ATAR offered a place is 75.00

Lowest selection rank is 85.00

Things to remember when looking at published ATARs for a course

- The ATAR profile and lowest selection rank can provide you with an indication of how competitive it might be to get into a course
- However, these are not a cut-off or guarantee, just an indication of what happened last year
- It's still worth applying for a course you want even if your ATAR is lower than last year's lowest selection rank because:
 - The lowest selection rank might change for next year
 - You might receive subject adjustments or special consideration which boosts your rank higher than your ATAR

Apply

Create a VTAC account

- All VTAC applications are completed online using the same VTAC ID and PIN
- Creating an account is a simple question-based process
- If you're a current Year 12 student, make sure you enter your student number so that we can access your results later in the year

Are you currently studying the Victorian Certificate of Education (VCE, any unit level), Victorian Baccalaureate (VB), a standard interstate Australian year 12, or the International Baccalaureate (IB) in Australia or New Zealand?

- Yes, studying VCE, VB, or standard interstate Australian year 12
- Yes, studying IB in Australia or New Zealand
- No

Tips for your VTAC account

- Only create one VTAC account
- For current Year 12 applicants, use a personal, not school email address
- Choose a secure PIN and security questions
- Choose an authorised nominee if needed
 - VTAC cannot discuss your application with anyone except you (not even your parents) unless you have specified an authorised nominee when registering.

VTAC account

The screenshot displays the VTAC account dashboard. At the top right, there is a notification icon with a red '1' and a 'LOGOUT' button. The main header features the VTAC logo and the text 'ACCOUNT'. Below this is a navigation bar with the following links: HOME, PERSONAL DETAILS, COURSE APPLICATION, PERSONAL STATEMENT, SPECIAL CONSIDERATION (SEAS) APPLICATION, SCHOLARSHIP APPLICATION, SUPPORTING DOCUMENTS, ADMISSIONS TESTS (STAT/ALSET), and COURSE OFFERS. The user's name 'Taylor Swift' and ID '45767402E' are shown on the left. A green notification bar indicates 'You have 1 unread messages'. A welcome message states: 'Welcome to VTAC. On this screen you can view or change your personal details, including your VTAC PIN. If you need to view or amend other information, use the navigation bar at the top of the screen.' The 'ACCOUNT SUMMARY' section contains six tiles: 'Fee Summary' (View due dates), 'Making an application' (Make a course application), 'Personal Details' (Change your PIN, Change your contact details, Add a previous name, Change nominee details), 'Results and Offers', 'Coversheets', and 'VTAC Resources' (CourseSearch, VTAC website, VTAC Blog, Help Centre).

Applying for courses

- **List up to eight courses/institutions**
- **Preference order** – always list courses in the order you want to get into them
- **To add course preferences:** Select institution and/or course or type in the course code.
- **To move a course** on the preference list use the up/down buttons.
- **To delete a course** use the x button.

Your most wanted course should be listed at 1.

EXIT **SUBMIT**

After submitting course application

- Application receipt sent by email and in user account
- Submit payment by the closing date
 - Unpaid applications are not submitted to institutions
- Complete any applicable selection requirements
 - E.g. personal statement, providing any documents requested by VTAC
- Apply for SEAS and Scholarships
- Change preferences and update personal information

Personal statement

- A statement for course selection officers to consider, completed online through the VTAC user account
- Writing prompts include your motivation for study, academic performance, and previous relevant work experience
- If not specified as a requirement by the course, selection officers are not obliged to consider the information provided
 - **Usually not required for current Year 12 applicants**; check course entries

Change of Preference

- After applying, you can change your course preferences free-of-charge as many times as you like while Change of Preference is open
- Check the deadlines carefully prior to the start of each round
- The main deadline for Round 1 is 12pm, Wednesday 19 December 2018
 - Get your preferences in the order you want by this date to maximise your chance of getting the offer you want

SEAS and Scholarships

Special Entry Access Scheme (SEAS)

- SEAS is the special consideration program used by most institutions
- Filling out a single SEAS application will cover all of your eligible preferences
- Primarily for students who have suffered long-term disadvantage
 - **Except:** Category 1 (Personal Information and Location) – everyone should apply
- SEAS allows selection officers at institutions to grant special consideration for course entry to applicants.

What can SEAS do?

	ATAR	Offered a place?
Mel	95.00 ATAR	Yes
Geri	90.00 ATAR + subject adjustment = 95.00 rank	Yes
AJ	75.00 ATAR + SEAS + subject adjustment = 86.00 rank	Yes
Victoria	85.00 ATAR	Yes
Emma	80.00 ATAR	No
Howie	70.00 ATAR	No

- SEAS does not exempt you from completing essential requirements and compulsory admission criteria.
 - You must study course prerequisites, attend all interviews, sit any required tests, and submit all required folios and forms.
- SEAS is not a guaranteed entry scheme or reserved quota, but may allow you to gain entry to a course with a lower ATAR than otherwise

Applying for SEAS

- SEAS application becomes available after a course application is submitted
- All applicants (Y12 and NY12) can apply for SEAS
- All of the categories will be on one page
- Apply for as many categories as are applicable, but do not claim the same circumstances under multiple categories

SEAS categories

Category 1: Personal information and location

- As simple as ticking a box
- All applicants should apply for this category

Category 2: Disadvantaged financial background

Category 3: Disability or medical condition

Category 4: Difficult circumstances

- E.g. disruption to living situation, affected by illness or death of relative/friend, natural disaster, refugee status

SEAS documentation

Where needed:

- Financial evidence – receipt of Centrelink benefit or Family Tax Benefit
- Impact statement – written by applicant
- Statement of support – written by relevant responsible person

Impact statements without an accompanying statement of support will not be considered.

- For more information about SEAS documentation, visit www.vtac.edu.au

Scholarships

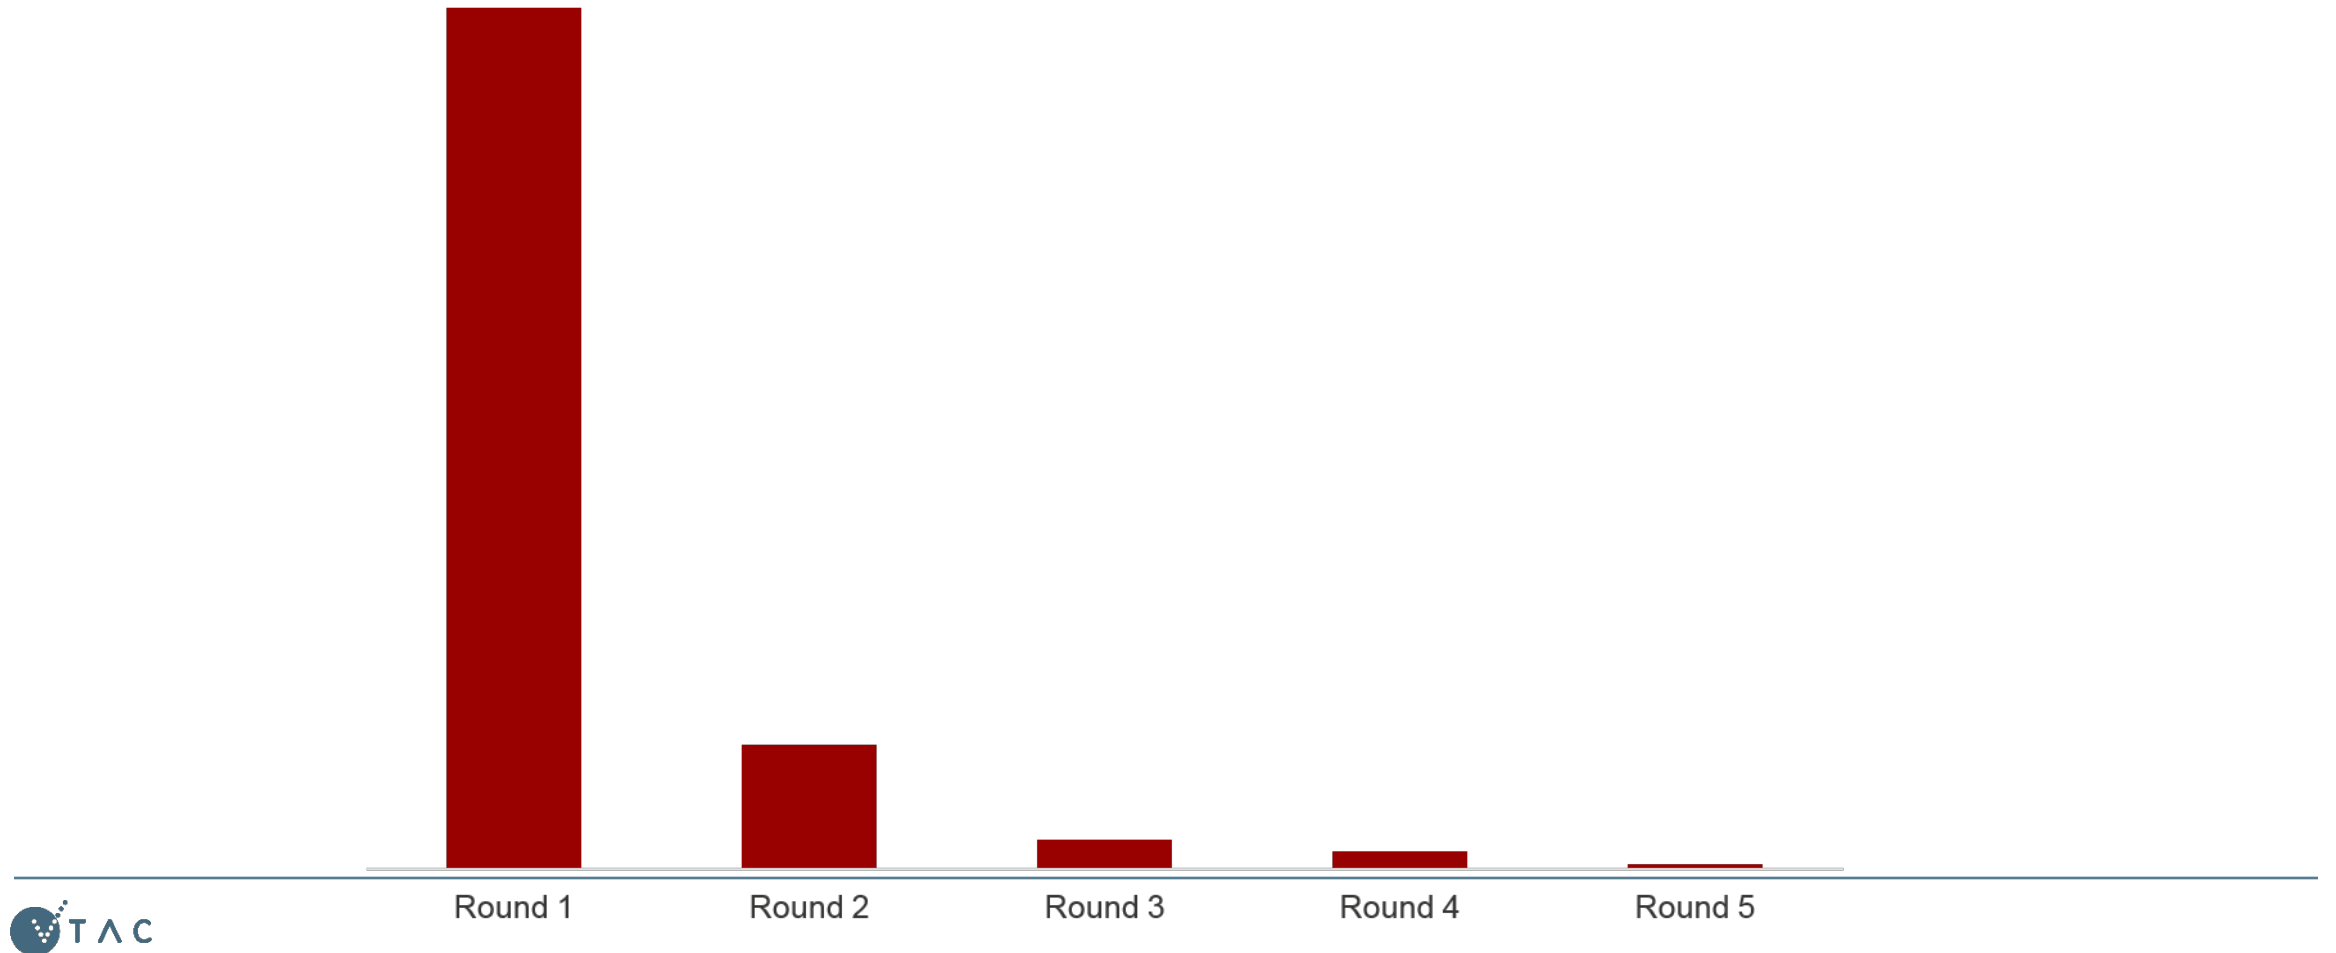

- VTAC collects scholarship applications for many institutions
 - One application, many institutions
- **Scholarships are not just for academic performance**
- Many equity scholarships have similar documentation requirements to SEAS
 - Statements must be submitted separately for each using the correct coversheet.
- List of scholarships available on the VTAC website
 - Including scholarships which require direct applications to institutions

Offers

**Even though there are five offer rounds,
your best chance of getting an offer is in Round 1**

 **Offer advice**
From: VTAC

 **Enrolment instructions**
From: Institution

 2pm

 **Accept**

 **Defer**

 **Reject**

 Next day

To accept (and defer) an offer, contact the institution making the offer, not VTAC.

To reject an offer, just do nothing and it will lapse after the enrolment deadline.

Unless you're sure you don't want it even as a back-up option...

**The offer process will continue
regardless of whether you have accepted or rejected your offer.**

You will be automatically considered for any higher preferences

Your most wanted course should be listed at 1.

Higher preference courses. Automatically considered in future rounds.

Offered course – can't be removed but can be moved

Lower preferences. Not considered unless moved above offered course.

Supplementary offers

- If you gave permission for supplementary offers and did not yet receive an offer in Round 1 or Round 2
- Institutions will contact you directly to suggest courses which still have vacancies
- You can accept or reject any supplementary offers you receive

2. Supplementary offers is a service that allows courses with vacancies to make offers to applicants who have received no offers up until and including Round two for 2017. In the event that you don't receive any offers for the first and second intakes in January and February 2017 we need your consent before we forward your details onto courses with vacancies. You can **opt out** of this process at any time

Do you consent to have your personal details provided to general tertiary courses with vacancies so that you may participate in the Supplementary Offer process?

Yes No

ATAR and Scaling

Scaling

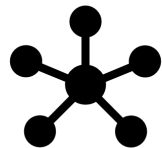

Why?

- Study scores received from the VCAA are a rank for that particular subject
- 30 is the average for every study, regardless of how competitive the cohort

How?

- By looking at the students undertaking the study this year, and their performance in their other studies

For what?

- Scaled scores are used only for the calculation of the ATAR
- Prerequisites and subject adjustments are based on raw study scores

The scaling process

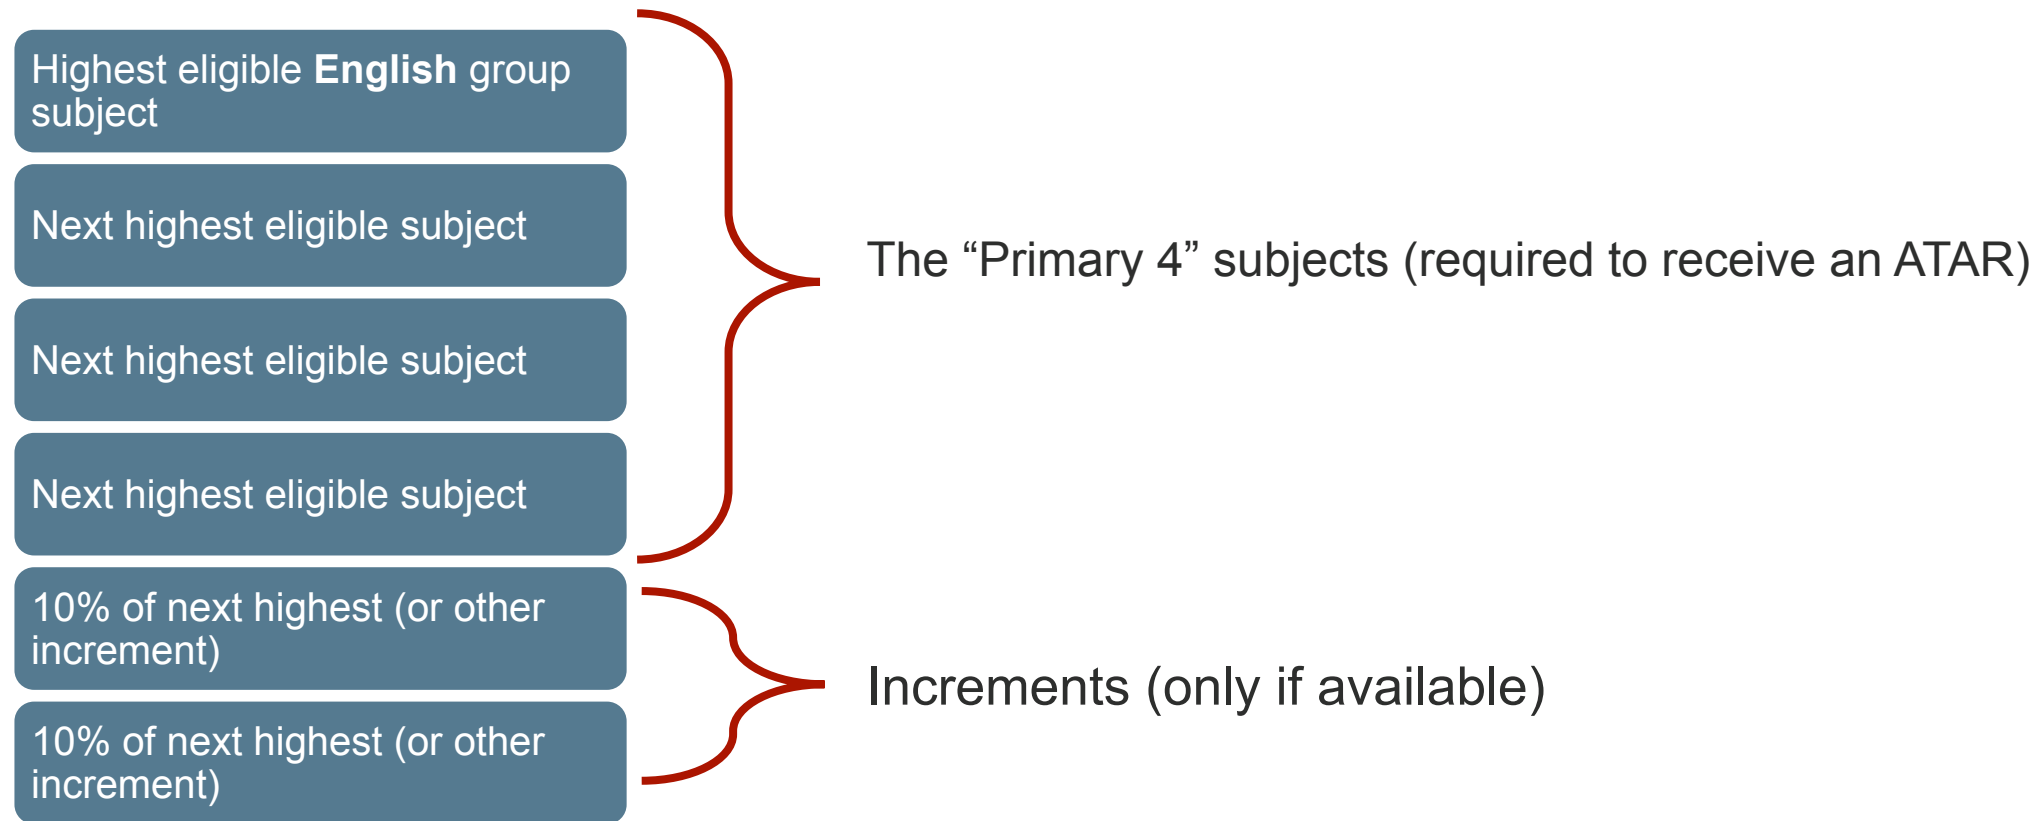

Chemistry
Raw study score average: 30

Results for all Chemistry students in Victoria:

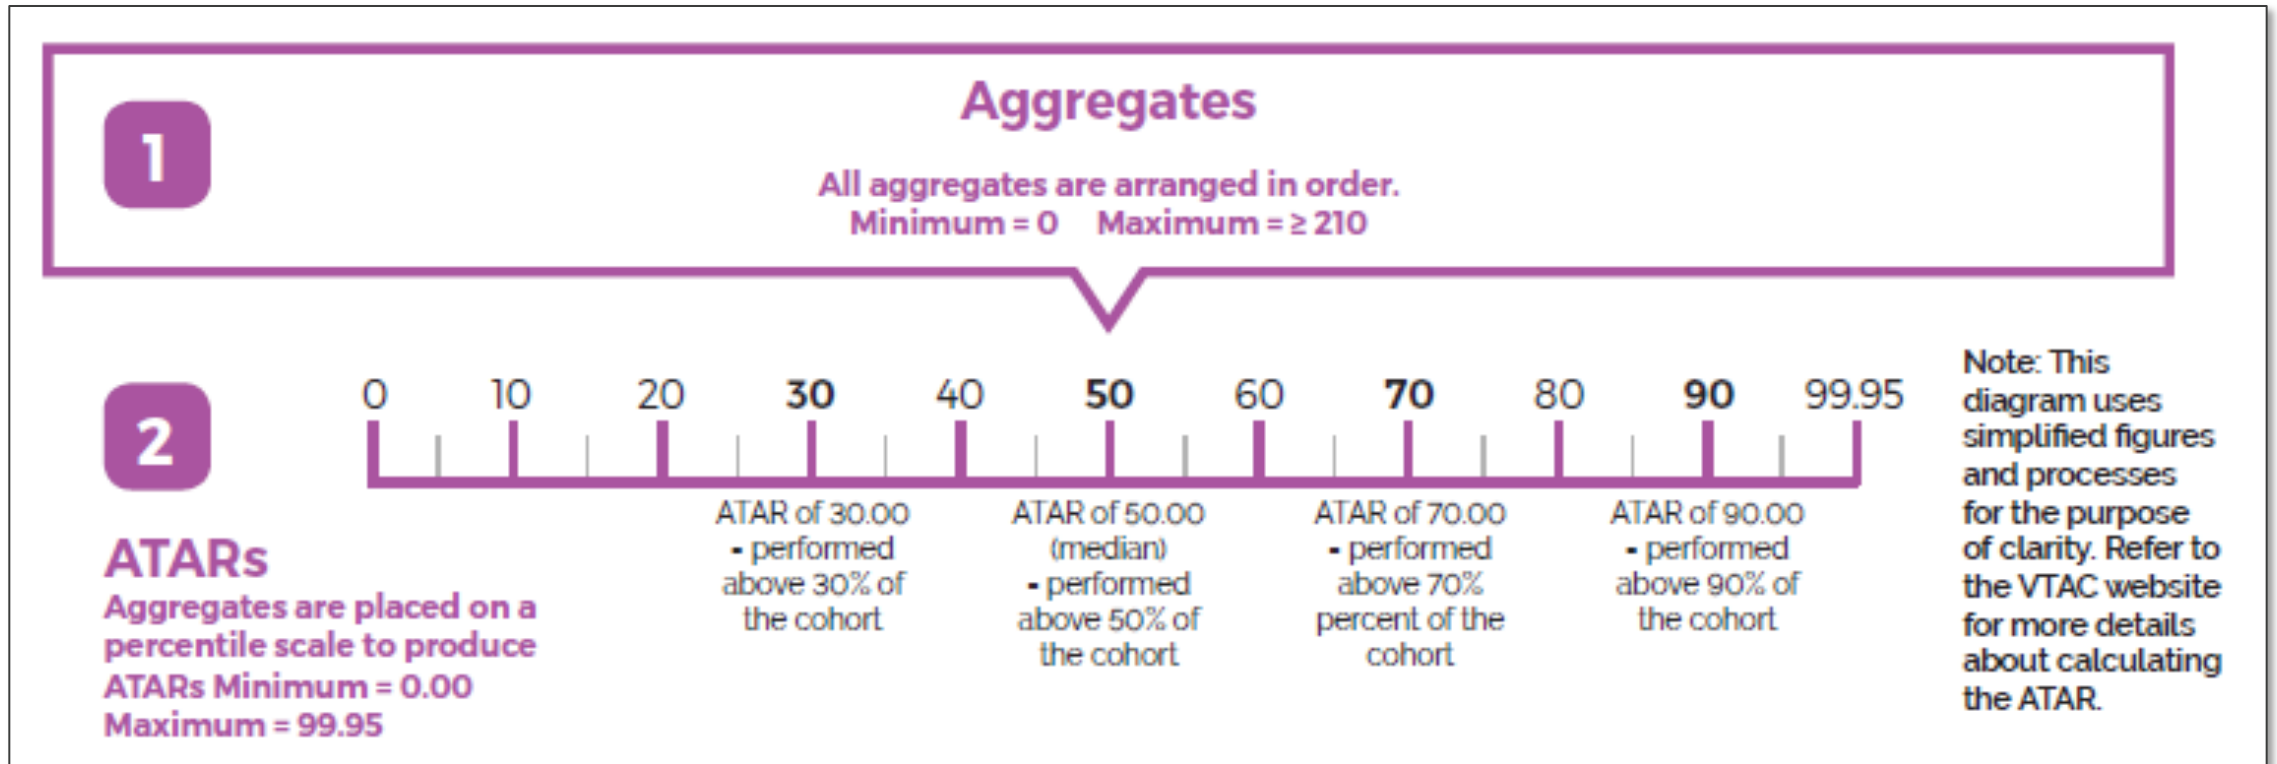

English	31.35
Music Performance	36.62
Further Mathematics	33.45
Psychology	28.51
Politics	34.11
Biology	33.72
Etc.	31.52
Average for all studies	32.75

Chemistry
Scaled study score average: 32.75
