|                  | 10km Early Entry | \$19.00 | 10km On the Day Entry | \$25.00 | Family pricing available online |

**Is there a charity involved?** No, there is not a charity partner. This is a fundraising event for the Yarra Ranges Athletics club, catering for athletes of all abilities from 6yrs to 106yrs (maybe one day). The club is based at the Yarra Ranges Regional athletics facility at Mt Evelyn, fundraising will be used to assist with improving facilities and equipment at this venue for all users including schools and the general public.

**Registration and Race Number collection:** Go to [www.yarrarangesathletics.org.au](http://www.yarrarangesathletics.org.au) for the online registration facility. Race Number collection will be on the morning of race day from 8am. Entrants under the age of 18 will need to have a guardian sign the event waiver at the time of race number collection if it had not been signed previously.

**What about the course?** We have taken the most iconic Lillydale running venue and created a unique way to experience this fantastic location. All courses will be well marked, and will take in the surrounding parklands of the lake including running on grassed areas and the familiar gravel trails. Hospital Hill has been added into each events course. Maps will be available on the website, but won't be needed on race day as the course will be marked and marshalled. Accuracy of the course will be done with all due care, but due to the cross country nature of the course will have some variation.

**Drink Stations?** There will be water at the start and finish. It is intended that we will have 1 water station on the 5km loop. (visited twice for 10km event)

**Timing?** This is not a chip timed event, but our team of experienced event operators will ensure accuracy and quick publishing of results. Make sure you work with our volunteers at the finish to record your finishing position.

**Parking?** There is plenty of parking within the Lillydale Lake park, but if we have a larger than expected number of entrants it is possible the carpark will be full. If so overflow parking is accessible from John St, Lilydale and will leave only a short walk to the event area. There is also parking to the south of the main entrance on Swansea Rd.

**Can I run with my Dog?** The Lillydale Lake Parkland does not restrict dogs as long as they are on a lead, however, to help ensure the safety of all entrants there are to be no dogs running with the Yarra Ranges Athletics Fun Run.

**Can I run/walk with a Pram?** Yes in the 2km event. But be aware that parts of the course will be across grassed areas that may or may not be easily traversed with a pram. For the safety of other entrants we ask that all prams start to the back of the field.

**Will there be somewhere to leave my bag?** Yes, there will be a covered area to store a bag. We will have volunteers in the immediate area but you are strongly advised to leave valuables at home as we cannot be held responsible for any loss.

**Will there be prizes?** The Schools Challenge will have prizes donated by The Good Guys in Bayswater for the schools with the highest numbers of students entered online into the 2km event.. Spot prizes and other prizes will be announced closer to the event on the website and via entrant email newsletters.

**Do you need extra volunteers?** Events like this survive on volunteer help. If you are able to assist please e-mail [events@yarrarangesathletics.org.au](mailto:events@yarrarangesathletics.org.au). All formal volunteers can have a family member or friend enter for free.

**Will I receive a medal?** We would love to provide a medal as a memento for your participation in the event, unfortunately we are unable to provide them for this years event. Your race number is yours to keep.

If you are a local business that would like to be the medal sponsor please e-mail [events@yarrarangesathletics.org.au](mailto:events@yarrarangesathletics.org.au) or call Michael on 0403 819 390.
