My child loved it. He's already asked to go again next holidays. He is more focused on his work and has an improved confidence in himself. **He is now actually working towards his HSC**, not just drifting.

— Annette, Parent of a Study Camper

“

The well-organised structure of camp allowed me to complete so much **more work than I would have at home.**

— Grace, Study Camper

96%

CRU is proud to be Australia's largest provider of study camps, with over 50 years of proven experience in helping Year 12 students achieve their HSC and IB study goals. We create the ideal study environment on our Study Camps so that your child can stay focused and feel confident about their exam preparation.

## **LESS DISTRACTIONS, MORE PRODUCTIVITY**

Our Study Camps provide supervised study blocks with built-in breaks to maximise your child's study during their school holidays. A set plan will help your child focus, develop better study habits and achieve more study than they may have at home, so that they are one step closer to accomplishing the results they want.

## **RESTORED PERSPECTIVE**

Year 12 requires balance and resilience. Free time activities on camp will refresh your child's brain and conversations exploring Christian faith will add perspective.

## **TAILORED SUPPORT**

Your child will meet great, Christian camp leaders who will encourage and support them as they tackle the pressures of Year 12. Many of our leaders are uni students who share their own final year experience and use their current studies to help your child succeed.

## **GREAT VALUE**

We work hard to offer high quality camps at great value. Study Camps include all accommodation, meals, activities and 24-hour supervision. All camps are tobacco, alcohol and drug-free environments.
