## YEAR 11 RECOMMITMENT - 2022

Dear St Joseph's College families

Years 11 and 12 are two of the most important years of your child's education. They represent the final stage of secondary schooling life and the first steps toward a future career pathway. At St Joseph's College, it is our mission to provide a wide range of student pathways for our senior students to ensure that as many students as possible are able to undertake Year 11 and 12 units of their first choice.

We have everything young people need to learn and achieve. To suit emerging career aspirations, our VCE, VET and VCAL programs inspire and challenge with independent learning opportunities and diverse learning pathways. We celebrate friendship and community with [scholarships](#), camps, sporting events, and activities that develop leadership skills and build resilience.

Our [previous correspondence](#) shows that we offer the best environment locally for not just maximising [ATAR scores, VET and VCAL outcomes](#) and employment but building the whole person with a focus on wellbeing and resilience.

### STUDENT VOICE

Feedback from our Year 10 students indicates that their primary goal is to achieve the best possible results with their VCE, VET and VCAL studies. Maximising their ATAR was important for many of the Year 10 students as well as the smaller classes and support from their teachers.

### PLANNING AHEAD

There are several reasons why we need to plan ahead. As you will appreciate, we need to create timetables early and appoint our educators in the 'right' roles in order to maximise your child's future success. Student numbers are also important as we plan for the VCE and VCAL Orientation program later this year.

### RECOMMITMENT

We ask that you do the following:

1. Read the [Enrolment Agreement](#)
2. Read, sign and return the recommitment form below
3. Pay the non-refundable deposit of \$300.00.

By submitting the form and the deposit you acknowledge that you have read the [Enrolment Agreement](#) and agree to all the terms contained in this document. The form and deposit should be returned to the college office by COB **Friday August 13, 2021**. **This non-refundable deposit will be deducted from your 2022 fees.**

## **FEE RELIEF**

During these challenging times, some of you may be concerned about your capacity to meet the 2022 deposit. Please contact our Business Manager, [Mr David Lim](#) via email if the above applies to your circumstances. To simplify the process, an [electronic request form](#) is now available for use. The form is self-explanatory, but if you feel it does not adequately cover your circumstances please do not hesitate to speak with Mr Lim. Please be assured that your dignity and privacy will be respected.

## **IN CLOSING**

We want our students to have every opportunity to study what they most enjoy to support them on their pathway to success. The deposit and statement of intention is due on **Friday August 13**. If not received by this date, your child's preferences will not be able to be included for subject selection and timetabling for 2022.

We wish our students well in their studies for 2021 and beyond. Thank you for your support.

Yours sincerely
