## Media Release

# Catholic Schools Week 2025 marked by Mass and the Spirit of Catholic Education Awards

The *Armidale Catholic Schools* system, comprising 24 schools located across the New England and North West regions of NSW will celebrate *Catholic Schools Week* from the 25- 31 May. This event marks a time to celebrate the achievements of our school communities and acknowledge the people dedicated to providing quality learning and a nurturing environment for every student and staff member across our system of schools.

During Catholic Schools Week (CSW) on Wednesday 28th May, schools will gather in Armidale to celebrate Mass and the *Spirit of Catholic Education Awards*. We have a lot to celebrate this year locally, with the installation of the Armidale Diocese's new Bishop Peter Murphy, as well as celebrating with the world-wide Catholic community on the recent news of new Pope Leo XIV.

This year's theme 'Pilgrims of Hope' speaks to joy, spirit and light. As the late Pope Francis so beautifully expressed it: "*We must fan the flame of hope that has been given us, and help everyone to gain new strength and certainty by looking to the future with an open spirit, a trusting heart and far-sighted vision.*"

*Catholic Schools Week* will be launched in Tamworth at McCarthy Catholic College on Monday 26 May, with over 300 staff members from all 4 Tamworth Catholic schools attending before commencing a Spirituality day as part of their professional development.

The *Spirit of Catholic Education Awards* ceremony will be held at St Mary's School Armidale, on Wednesday, 28 May at 1:30pm. The award ceremony will be preceded by the celebration of Mass at 11:00 am in the De la Salle Chapel at O'Connor Catholic College, Armidale, celebrated by Bishop Peter Murphy.

The awards recognise outstanding contributions from those across the Armidale Diocese in the categories of Early Career Teacher, Experienced Teacher, Support Staff, Volunteer, Leadership, Student Catholic Spirit and Staff Catholic Spirit.

Director of Schools, Regina Menz, said "*Catholic Schools Week is a time to celebrate the strong teams we have that work together to help us realise our vision of a Christ-centred, inclusive learning community that supports young people to realise a hope-filled future. The award recipients have modelled the Catholic values and principles that underpin our communities. During this special week, I thank every member of our school and parish community, students, staff, clergy, and our families for the vital role they play in Catholic education in the Armidale Diocese.*"

Catholic Schools Week will wrap up with the *Armidale Catholic Schools Primary Gary McSweeney Memorial Cup & Rugby Union Trials* in Tamworth on Friday 30th May.

Armidale Catholic Schools is grateful to their major supporter *UniSuper*. We thank them for their continued support that has enabled significant staff and student representation from the 24 Diocesan schools to attend these celebrations.
