Hey David,

The First AML integration is now live in Zenu!

Your first step is to request your office credentials from First AML once you have signed up.

Email onboarding@firstaml.com.au and they'll send through the Client ID and Secret ID you need to connect.

They can take a little time to issue, so get your request in now to be ready before 1 July.

We have an email template ready to use in the below setup guide.

- Read the [Setup Guide](#) for the full walkthrough.
- Watch the Enable First AML video [here](#)
- Watch the Creating a case video [here](#)
