

WHEN I COME BACK TO SCHOOL

WELCOME BACK

When I come back to school some things will be the same and some things will be different.

Some things will be the same.

I will be in the same classroom.

My teachers will be the same

My friends will be the same.

The school agreed ways are the same.

The playground will be the same.

I'll wear my school uniform and do my work at my table.

Some things will be different.

At first, only the Preps and 1/2 students will be at school.

I can't come in through the office before school because it will be shut but all the gates will be open from 8:30 to 9:00.

I can be dropped off from 8:30 and I will go straight into class.

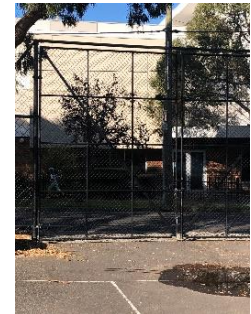

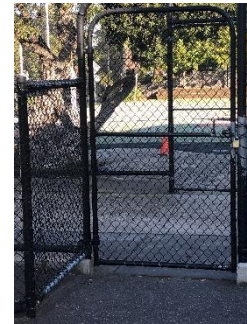

At the end of the day we will leave school at different times depending on which sports house we are in.

Red House will leave at 3:00 Daly

Blue House will leave at 3:10 MacKillop

Green House will leave at 3:20 Mannix

Gold House will leave at 3:30 Lee

Mum and Dad will tell me which gate they will pick me up from so I will know where they will wait for me. I will go straight home.

School will still be fun. I will follow the rules and do lots of great work like I did at home.

Everyone will be proud and I can show how clever I am and how persistent I can be.

WE DID THIS AT THE END OF LAST TERM.

It will be very important to keep everything clean at school.

At the end of last term, I started getting used to some of these changes like...

Drinking from my drink bottle not from the taps – I'll take my drink bottle outside when I play. There will be a basket for my class to leave our drink bottles.

I will wash my hands with soap and water before and after I go outside to play, and after I go to the toilet.

I will wash my hands before I leave home to come to school and when I get home.

We can't bring cakes to share for birthdays.

COVERING MY MOUTH AND NOSE WHEN I COUGH OR SNEEZE.

I **must** cough or sneeze into a tissue or into my elbow. **This is very important!**

When I use a tissue I will put it straight in the bin.

Parents need to keep their distance from other adults too.

Mr Jennings put white crosses in the yard so parents know where to stand to wait for us.

Some things might seem a bit different at first but I got used to learning from home, and I will get used to these new ways very quickly.

There will be signs in the school to help us remember and the teachers will remind us and help us remember too.

Mrs Watson and all the teachers at St Fidelis want all our children and families to stay safe.

We can work together to make sure everyone stays safe and healthy in our community.

It will be great to be back at school. Everyone has missed us.
