Year 7 and 8 students are expected to be at school for the END OF YEAR PROGRAM where they will participate in a number of onsite activities. There will also be **optional** excursions (**numbers are limited**) that students can choose to participate in. Participation is not confirmed until consent and payment has been made via Compass or at the main office. **Any students not attending excursion/s will participate in the free onsite program.** The purpose of the program is to allow students to further build on the relationships they have forged with their peers, and to meet and make friends with other students. There will be an emphasis on 'socialisation', with students involved in a variety of enjoyable activities.

### IMPORTANT

- Students can attend **ONE** excursion per day.
- Events will open for payment/consent on 7/10/24
- Consent & payment is due by 22/10/24 however **due to limited numbers once capacity limits are reached for each activity, no more payments will be accepted.**
- Please note that once payment has been made students **will NOT be able to change their choices or receive refunds due to advanced bookings.**
- Some optional activities may not run for a full day, therefore students will participate in free activities upon their return to school. Please note, that by consenting to these event/s, you give permission for your child to watch a movie that is classified M (Mature) and contains content of a moderate impact.
- Students are expected to attend **in full school uniform** (some excursions are exempt from the uniform rule – see events on Compass for uniform requirements). Any students not in full uniform (PE or academic) may not be able to leave the school to participate in an external excursion.
- If families are facing financial difficulties and wish to make alternative payment arrangements, please contact our Business Manager prior to the due date. CSEF (eligible families) can be used for all optional activities.
