BECOME A LEADER IN THE SPORTS INDUSTRY

Undertake a Diploma of Sport Development (SIS50612)

- + The program is developed and delivered in a unique collaboration between Richmond Football Club and Swinburne University of Technology and develops the next generation of sports industry leaders.
- + We welcome school leavers passionate about all types of sport, not just Australian Rules Football.

- + Contact time is approximately 14 hours over a two-day period each week.
- + Program Includes
 - Guaranteed University Pathways
 - Placement and Employment Opportunities
 - Outstanding Student Experience
 - Athletic Development
 - Institute Ambassadors

Guaranteed University Pathway

Students successfully completing the program can progress to a Swinburne university degree, in a range of undergraduate courses in Business, Exercise & Sport Science, Education and Health Science. Up to one semester's credit into these degrees will also be provided.

Placement and Employment Opportunities

Richmond Football Club's subsidiary company, Aligned Leisure, and network of associated sports industry businesses are committed to providing real employment and placement opportunities.

The Club anticipates its future young leaders will come from this program. Aligned Leisure currently manage Mildura's 8 aquatic facilities including Mildura WAVES.

Outstanding Student Experience

We focus on growing student's character, resilience and confidence so our graduates are match fit, work ready and life ready! Students also have the opportunity to attend national and international trips, and gain extra qualifications including First Aid, ASCA Strength & Conditioning, Mental Health First Aid, ASADA Level 1 & 2, Sport Australia Coaching, Level 1 AFL, Teacher of Swimming and Water Safety and Pool Lifeguard.

Athletic Development

Students complete practical sessions each day and train in a high-performance environment with access to state of the art facilities and coaching.

Institute Ambassadors

We regularly use a range of guest speakers, industry experts and formal ambassadors as part of the program.
