Term 4,

Week 6 & 7, 2021

The past fortnight the children have been very busy at the program. We started off by celebrating Diwali and exploring the country of India. Some of the children who attend the program celebrate this event at home and were very excited to also celebrate it at Kelly Club. Diwali is known as the festival of lights. The children made candles out of coloured paper and gems, elephants, the Indian flag and ate some mango (national fruit of India). The children really enjoyed these activities.

As the weather is starting to get a bit nicer, we also had a sports week. We had a Kelly Sports coach leading sport activities and playing fun group games. Some of the sports included basketball, soccer, football and running games. The children really enjoy being outside and are very happy to participate in sport activities.

Reminder:

As it is Term 4, the children need to be wearing hats when playing outside. If you could please provide your child/ren with a spare labelled hat to leave at the program. NO HAT NO PLAY!

Also, the summer holiday program is coming up. Please get in contact with us to make bookings, as the incursion and excursion days have limited spots available.
