# Free employment supports

## DANDENONG - RINGWOOD - LILYDALE

Based in in the South and North East of Melbourne, Mission Australia's Disability Employment Services provide free job seeking support to eligible people in the above areas with a medical condition that may affect the type of work they can do.

### Eligibility

- Participants do not need to be in receipt of Centrelink payments
- If you are under 21 y/o, you may be eligible no matter what your parents earn
- If your partner earns too much for you to be eligible for Centrelink payments, you could also access our service
- If you have children under the age of 16 and are not compelled to look for work, you may also be eligible.

Medical conditions may include (but are not limited to):

- Mental Health Issue (e.g. depression, anxiety, etc)
- Minor-to-moderate physical conditions (e.g. back condition, epilepsy etc)
- Minor-to-moderate learning disabilities.

### Support

Support is offered in one-to-one or small group mentoring through:

- Resume and application letter development
- Individual goal setting and career guidance
- Wage subsidies available for employers
- Assistance in contact with employers and interview preparation
- Funding available for some training and work clothing/equipment.
