

14 November 2024

Dear Parents and Caregivers

As we approach the end of the school year, I am looking forward to the 2024 Annual Awards Presentation, which will be held at the Christian Brothers Centre, Oxford Falls Campus, on Wednesday, 4 December.

The Annual Awards Presentation is a wonderful opportunity to celebrate the outstanding achievements of students from Year 5 to Year 11. We will recognize exceptional accomplishments, including the HSC Preliminary Course results, Semester Two results for Years 5 to 10, and our Gold Award recipients.

This event will also provide us with an opportunity to thank and farewell those staff members who are leaving the College. We are also honored to have our College Captain and Dux from 2014, Mr Leon Warren as our keynote speaker.

This year our Annual Thanksgiving Mass will be held before the Awards Ceremony.

As this is a formal occasion, all students are required to wear their full College winter uniform, including their blazer and long trousers.
