Camp Australia Plenty Valley Christian College OSHC – March Newsletter

Term 1 Overview, 2024!

Your OSHC News!

So, that's a wrap on Term 1, 2024! It's been a big and exciting couple of months, and we've crammed a lot into them!

Term 1 has been hot, so, of course, water play has been a favourite, especially on some of those hot afternoons. The children also got a chance to explore a handful of VR experiences, which was a first for Your OSHC. We've made slime, fresh lemonade, and some super yummy Valentine's Day cookies, on top of our usual physical and craft activities!

Sadly, we've also had to say goodbye to our pet turtle of two years, Tim-Tam — it was sad to see him go. Tim-Tam's been moved to a bigger tank, where he can grow and flourish. Hopefully he can come back to visit sometime. But, that means we have some new pets arriving next term — so, watch this space!

Overall, it's been an amazing term! With that said, I'm wishing all the families and the wider PVCC community a safe, happy, holy, and relaxing Easter Break! See you all next term!

Rocketeers News!

It's that time again, time to set off on the latest Rocketeers mission! However, Kane, whom most of you already know, will be assuming command these school holidays. I'll be over at Marymede, working with my brother Dan. But, I will be joining the PVCC team on two of our exciting excursions — IMAX and the Comedy Festival!

Hope to see you all there!
