

Dear Mama,

It might be very unlikely that you will get this but we found a house nearby - it has everything! There is food, so much food, and a lot of things that could benefit us. There are cows - beautiful cows - and one of them had three babies. we called them Dog, wobbles, Ginger, and Moo. Mia named two of them, Dog and Moo, because she learnt two new words.

we miss you a lot. where are you? If you get this, tell us immediately. Have you seen oma and opa? I hope they are okay. To be honest, Otto, Mia and I are scared. we miss you, oma, opa and Mama. Please come back.

Heil Hitler!

Liesl, Otto, Mia
