

A message from your Learning Place Leader, Mel!

Welcome to Acacia!

What a lovely start to the year we have had!

Staff and students have developed some really positive relationships. We had lots of new staff and students join us, and they have fit right in!

*We are watching some really awesome friendships grow,
in a short space of time.*

Students have been working hard to identify what helps them to be ready to learn. This helps them to feel calm and safe in their environment and allows them to make the most of their learning. We look forward to watching our students continue to thrive.

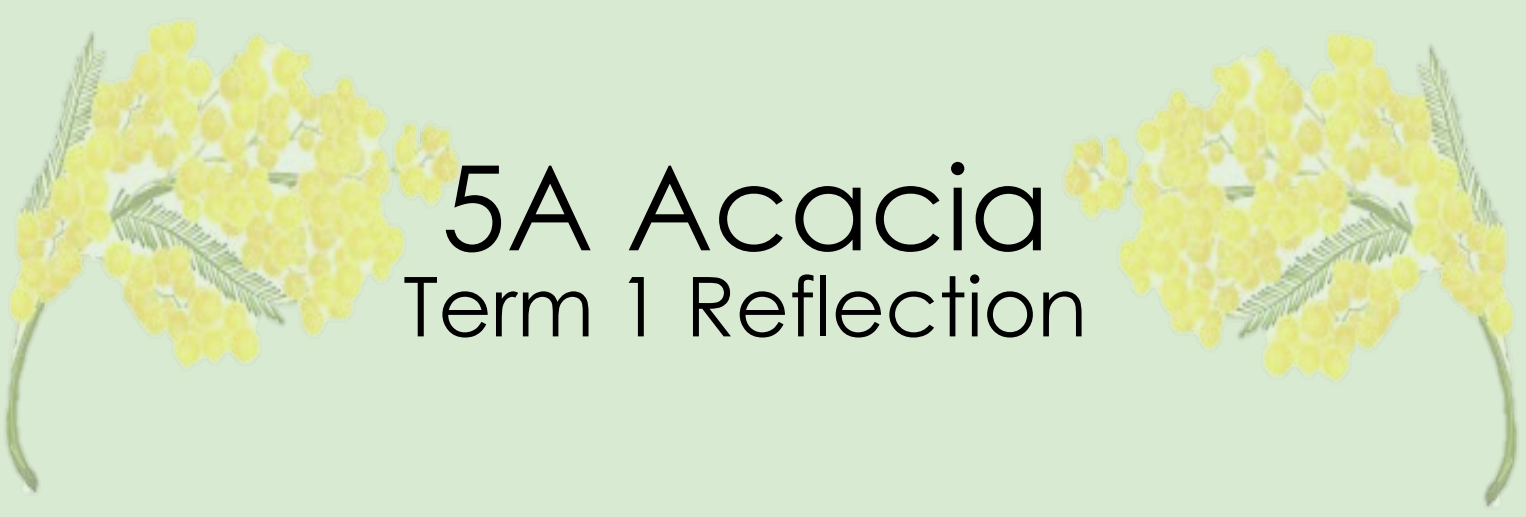

Things to remember:

SeeSaw and Compass are the best ways to communicate with building staff.

School starts at 9 and finishes at 3. If drop offs and pickups are outside of these times, you may be required to wait, as this is learning time for our students, and staff will attend when they can.

Please label all student items, including shoes and clothing.

Please dress students appropriately for the weather.

5A Acacia

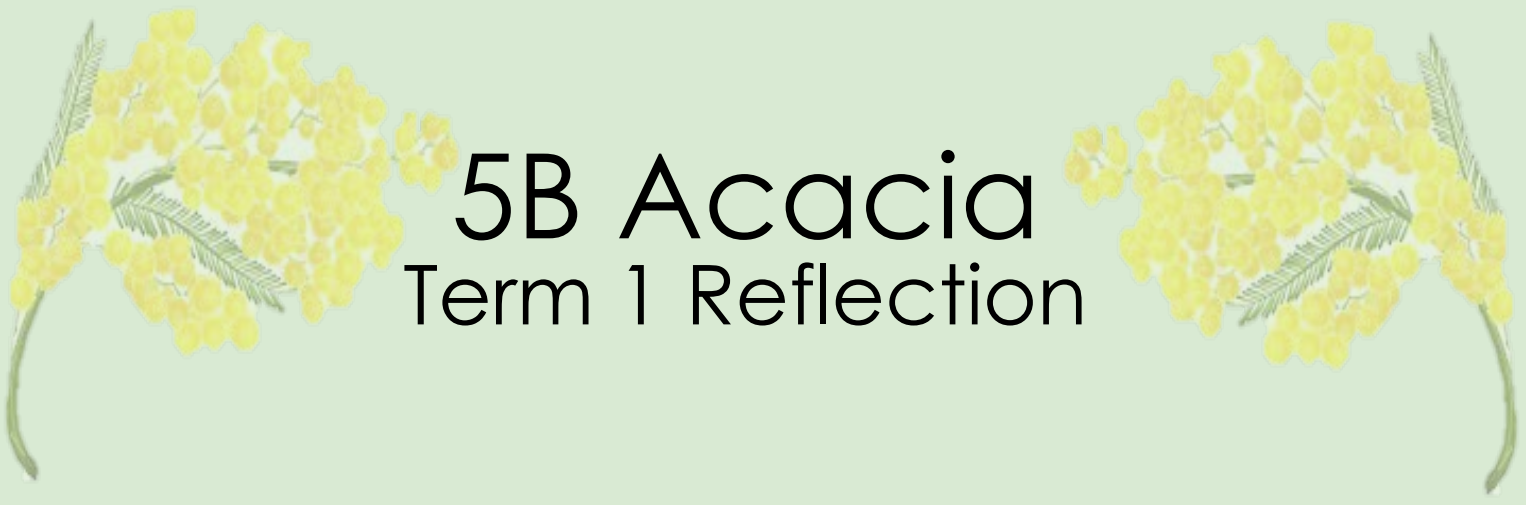

Term 1 Reflection

We have had a wonderful start to the year! This term we have focused on getting to know the new friends and teachers in our class. The students are now in a great routine and are following our classroom daily schedule. Students have been engaged with reading stories, fun movement breaks, and lots of learning activities. I am very proud of all of our 5A friends!

5C Acacia

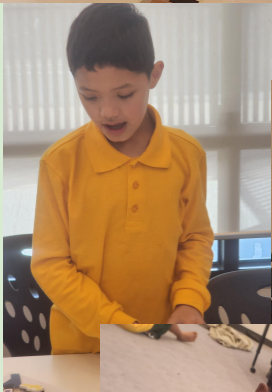

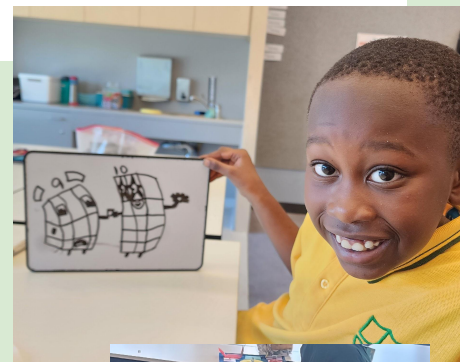

Term 1 Reflection

What a busy term we have had in 5C!

This term has been about becoming familiar with our new teachers and friends, and getting used to our classroom routine. We are working hard on being Ready to Learn and exploring different things that make us feel happy and safe at school.

Our favourite activity as a group is Art with Anissa!

Well done on a fantastic start to the year, 5C.

5D Acacia

Term 1 Reflection

We have had a very busy and fun start to the year in 5D. We have been getting to know our teachers and fellow students, as well as our daily routines. A highlight of the week is definitely our cooking sessions and we have loved voting on the different recipes we want to try and then following the instructions of the recipe. The students have been working hard in their Reading, Writing and Maths and we also love our Art lessons with Anissa! Keep up the good work 5D!

5E Acacia

Term 1 Reflection

Hello, we are 5E! We are Andrew, Ella, Deen, Kiesha, Ayan, Cody, Ayodh, Dishon and Cooper.

During Term 1, we have been getting to know our new classroom in Acacia Place and learning to participate in our daily routines. We start each day with a morning circle, followed by learning activities. Throughout the day, we are developing our ability to choose activities or items that help us regulate. We enjoy using fidget toys, sensory activities such as sand and water play, and messy play like finger painting. During seated learning activities, we are also encouraged to choose alternative seating options that best support our learning and comfort, like wobble stool, trampoline and exercise ball.

5G Acacia

Term 1 Reflection

This term has been all about getting to know our new teachers and making new friends, while settling into our classroom routines. We have been working hard on being Ready to Learn and exploring the different things that help us feel happy and safe at school.

We love spending most of our time moving our bodies to help us be ready to learn and have become experts at using the monkey bars, swing and rocking equipment. We have had lots of fun doing a range of activities including making special birthday cupcakes and writing letters to our friends in Wattle asking to come visit. Great work 5G let's keep it going!

5H Acacia

Term 1 Reflection

We have had a fantastic start to the new school year, enjoying getting to know one another, sharing our interests, and building positive relationships in our classroom.

We have enjoyed participating in P.E., and Art lessons, where we have the opportunities to be active and creative. Our confidence has grown as we share our voices and choices during morning routines and are encouraged to take turns sharing our big books with others. We have also had lots of fun with hands-on activities like making playdough and cooking, while learning to take turns and work collaboratively with one another.

SWPBS

At Endeavour Hills Specialist School, we pride ourselves on our school values;

Being Kind to Yourself

Being Kind to Others

Being Kind to the Environment

Our students receive 'green chronicles' for displaying our school values.

Parents will receive an email, via compass, notifying you that your child has received a green chronicle and why.

Please celebrate chronicles with your child.
