Parish Support

Greetings from St Francis Xavier Catholic Community. My name is Fr Chinua, the parish priest of St Francis Xavier's Church and the priest in-charge of the spiritual welfare of St Augustine's Primary School.

I wish to express my thanks to you for supporting the education of your children and for choosing to be part of our parish community either by worshiping with us in the church or by sending your children to our primary school or both. The catholic community and the school are two sides of the same coin.

Fr Jude and I are involved in the spiritual and moral development of your children. Our activities that relate to the school include celebrating religious activities for the school, visiting the school to interact with the children and staff in the classroom and at playground and participating in the preparation of the children to receive the Sacraments of Reconciliation, Eucharist and Confirmation.

The Catholic community and the St Augustine's Primary School will not survive without the adequate support from your families. I wish to thank you in any way you are already supporting the parish/school communities by volunteering your time, paying school fees, participating in parish/school activities or offering regular financial support to the parish.

I am inviting you, as parents, to adequately consider supporting the works of St Francis Xavier parish by either joining the parish Thanksgiving programme (weekly direct debit), or by giving a fixed parish contribution of \$150 pa.

Once again, thank you for being part of St Francis Xavier Catholic Community.

Fr. Jude and I are here to serve you. May Christ shower you with his Blessings.

Kind Regards,

Fr Chinua Okeke CSSp
Parish Priest
