

### 2019 John XXIII Family Purchased Student Device

At John XXIII College we are constantly re-imagining what a Catholic education in the Ignatian tradition should look like in the years to come. There is ongoing assessment of what level of technology needs to be incorporated in the learning process. Good learning programs will always provide a balance between traditional learning methodologies and modern student learning devices.

The table below outlines computer device requirements for student devices in 2019. Our current focus is on enhancing educational outcomes using age appropriate technologies and cloud-based services.

Year group	Minimum requirements
Year 4-6  <b>Apple iPad</b> 	<ul style="list-style-type: none"> <li>• iPad 6<sup>th</sup> Gen 128GB</li> <li>• iOS 12</li> <li>• 9.7-inch screen size</li> <li>• Apple pencil or Logitech Crayon (<i>only compatible with 6<sup>th</sup> Gen</i>)</li> <li>• iPad Pro is a supported upgrade option</li> <li>• Wi-Fi - 802.11ac support for 5GHz</li> <li>• Protective Case</li> <li>• Headphones</li> </ul>
Year 7-9  <b>Windows 10 Laptop</b> 	<ul style="list-style-type: none"> <li>• Operating system - Windows 10</li> <li>• 13-inch <b>Touch Screen with</b> Digital pen capabilities</li> <li>• Processor - Intel Core i5</li> <li>• Memory: 8 GB RAM</li> <li>• Storage: 256GB SSD/FLASH</li> <li>• USB 3.0 Ports or Adaptor from USB-C to USB 3.0</li> <li>• HDMI or DV Port / Adaptor</li> <li>• Webcam "Self-facing camera" (<i>front facing camera is optional</i>)</li> <li>• Bluetooth</li> <li>• Wi-Fi - 802.11ac support for 5GHz</li> <li>• Virus scanner – Windows Defender</li> <li>• Protective case</li> <li>• laptop sleeve (<i>optional</i>) or carry bag (<i>optional</i>)</li> </ul>

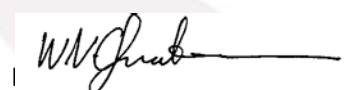

Years 10-12  (families may choose their own Windows or MacOS device within the minimum requirements)	Windows 10 Laptop  	Apple Mac  
	<ul style="list-style-type: none"> <li>• <b>Operating system - Windows 10</b></li> <li>• 13-inch Screen</li> <li>• Processor - Intel Core i5</li> <li>• Memory - 8 GB RAM</li> <li>• Storage: 256GB SSD/FLASH</li> <li>• USB 3.0 Ports or Adaptor from USB-C to USB 3.0</li> <li>• HDMI or DV Port / Adaptor</li> <li>• Webcam "Self-facing camera"</li> <li>• Bluetooth</li> <li>• Wi-Fi - 802.11ac support for 5GHz</li> <li>• Virus scanner – Windows Defender</li> <li>• Protective case</li> <li>• laptop sleeve (<i>optional</i>) or carry bag (<i>optional</i>)</li> </ul>	<ul style="list-style-type: none"> <li>• <b>Operating System - Mac OS Mojave</b></li> <li>• 13-inch Screen</li> <li>• Processor - Intel Core i5</li> <li>• Memory - 8 GB RAM</li> <li>• Storage: 256GB SSD/FLASH</li> <li>• USB 3.0 Ports / Adaptor</li> <li>• HDMI or DV Port / Adaptor</li> <li>• Webcam "Self-facing camera"</li> <li>• Bluetooth</li> <li>• Wi-Fi - 802.11ac support for 5GHz</li> <li>• Virus Scanner</li> <li>• Protective case</li> <li>• laptop sleeve (<i>optional</i>) or carry bag (<i>optional</i>)</li> </ul>

John XXIII College families have the option of sourcing their device from a vendor of choice. However, the College is currently investigating partnerships with vendors who will offer educational products at competitive prices. We will contact you in early November with this information. The table above gives minimum requirements. Upgrading these requirements is optional.

Current Year 7 and Year 8 families who have purchased an iPad under the existing program, may continue to use their iPad in 2019 and beyond or purchase a laptop.

This document is available in SEQTA Documents under the categories: General Secondary; Year 03; Year 04; Year 05 and Year 06.

Yours sincerely

Director of Inquiry and Innovation
