The number of nominated competitors will dictate the start and finish times. Details will be forwarded to competitors after the nomination closure date.

In order to nominate and to compete at this event, players are required to:

1. Play competition tennis for a club outside of school hours, or be at a very good standard.
2. Be born in 2011, 2012, or 2013 only. All participants nominated must not turn thirteen or remain nine during 2023.
3. Attend schools affiliated with S.S.V.

This year the tournament will be run as a singles tournament. The students will play Fast 4 Rules.

Once all nominations have been received by the due date, event date, times and draws will be forwarded to schools.

At the conclusion of the singles competition, the first 2 placed competitors in the girls and boys/mixed competitions will qualify to represent the Coburg District at the Inner North/Moreland Tennis Championships.

Please note that parents need to transport students to and from all levels of competition.

Please complete the attached nomination form for the Coburg District Tennis Championships and return to school by closing date.
