

## After School Cooking Club!

Do you need a **FUN** way for your child to gain some fresh and exciting experiences? Do you want your child to **build skills** and to be **passionate** and **creative**?

**Cook n Create has arrived!**

We will be running a **6 week AFTER SCHOOL club** from Fulham Community Centre!

The sessions will be:

- **FUN** – We want children to LOVE cooking!
- **Interactive** – All children will be at the core of our sessions! Their ideas and creations mean the world to us!
- **Based on skill building** – Sessions will be structured so your child builds a toolkit of skills that will last a lifetime!
- **Social** – We love to watch children thrive! Cook n Create will provide a social place for your child to make friends, work with others, share ideas and build on their knowledge in a team!
- **Creative** – the more creative the better!
- **Varied** – We will make a great variety of products! They will be sweet, savory, meals, snacks, healthy, treats etc
- **Educational** – Jessica, founder of **Cook n Create** is a qualified and VASTLY experienced Food Technology/Food and Nutrition teacher and all of the learning is done through creativity, exploration, and is ALWAYS fun!

There are only **15 spots available** for the sessions so for more information and to get yourself signed up please contact Jess on: 0416028987 or on her email:
