

Save for a Greater Reward and support our Diocese of Ballarat

“For more than fifty years, the Catholic Development Fund has helped communities throughout our Diocese of Ballarat. I thank all those who have made investments with CDF. These have provided a pool of resources from which parishes, schools and hospitals can draw in order to finance works that serve our Catholic community and the wider community. I look forward to the support that the Fund will continue to provide to communities throughout our Diocese.” - Bishop Paul Bird CSsR, Diocese of Ballarat

CDF Community Fund offers a practical way to save while helping build Catholic communities.

When you open a savings account with CDF, your funds are put to work in service of something bigger — helping Catholic schools, parishes and agencies fulfil their mission; through classrooms where students can flourish, parish spaces where communities can gather, health and aged care providers that uphold comfort and dignity, and safe havens that offer hope and shelter for those experiencing homelessness.

With online access, no fees for active accounts, and bonus interest rates available on select accounts*, saving with CDF Community Fund is a simple way to grow your savings while helping the work of Catholic communities — here in the Diocese of Ballarat and beyond.

Personal account options:

- **Mission Saver Student** – a great way for young people to build strong saving habits and earn a bonus interest rate*.
- **Mission Saver Plus** – for employees of Catholic organisations, with the potential to earn bonus interest* by saving more than you withdraw each month.
- **Term Investments** – choose a term that suits you, with competitive rates locked in for your chosen term.

To open an account or view current rates, visit catholicdevelopmentfund.org.au/communityfund or call **1800 134 135**.

*Interest rates are subject to change. Bonus rates apply only to Mission Saver Student and Mission Saver Plus where monthly deposits exceed withdrawals by at least \$1. View current rates, information statements and disclosures on the CDF website.
